and 7 p.m. Waterproof tents. Admission 25 cents to see it all.

"CAMPUS" SEAT SALE IS OPENED

BUBBLING MUSICAL COMEDY IS COMING FRIDAY NIGHT.

Dainty Girls Will Back Hartman and His Entire Company.

Seats went on sale this morning for "The Campus," one of the bright particular offerings of the season, bringing Ferris Hartman, the well known comedian star, who comes direct from a long run at the Grand opera house in Los Angeles, California, the show having attained at this play house alone, a record of 212 performances to capacity audiences. Ferris Hartman brings with him the entire original company, including Walter De Leon, the young author of the play and Miss "Muggins" Davies, the dainty and delightful soubrette, with a large cast and chorus of boys and girls. There is not a dull moment in the performance. It is the spirit of youth and the delightful fresh college atmos-

Scene in "Campus" at Steward Friday night.

phere and the clean sparkling humor which everyone enjoys. The music of "The Campus" is irresistibly attractive, there being 18 song hits, among which are the dainty duet "How-de-do," the rag time, "I Leave It to You," the rousing Pipe and Stein song, a novelty number "Spooks" charmingly sung and danced by Miss Davies and the Freshie girls, the international proposal duet between Mr. De Leon and Miss Davies, "The Same Old Love," Mr. Hartman's own contribution being an especially fine number, "Before You Are Old," and Walter De Leon's song that everyone enjoys, sings and whistles, "Is Everybody Happy." Of the many character types of both young and old people whom De Leon has drawn, there are none that are not absolutely natural and are easily recognizable. Good natured wit, the ardor of youthful sentiment and clean, wholesome comedy run riot through the three acts. The dialogue is eminently natural, the humor of the piece depends upon its comedy situations more than it does upon high flown or stilted dialogue.

NOTICE FOR BIDS.
Notice is hereby given that sealed bids will be received by the undersigned, until 5 o'clock p. m., June 5th, 1912, for the construction of approximately 2,000 lineal feet of cement walk, to be built on portions of Main and Jefferson avenues and on Eighth and Elm streets. Bids must be accompanied by a certified check for five per cent of the amount bid.
By order of the county, May 22nd, 1912.

PAID OUT \$2880

And The Other Fellow Owns My Home

It does seem strange that some people permit themselves to get into one rut and there remain.

This week a man came into my office, whom I thought owned his home and when I asked him how long since he purchased, he replied, "Why, I have lived in La Grande for the past twelve years and never bought. I have sometimes thought I would but it seemed I never got to it."

Inquiry revealed the fact that this man has paid on an average of \$20 per month, which means that he has paid out \$2,880 and has nothing to show for it.

Had my friend invested soon after coming here he would today be living in a \$2,000 home all paid for. Not only that, he would have been a better father, a better husband and a better citizen. The possession of a home creates an independence that no one can possess in a rented property.

We dare say there are no less than fifty people in La Grande today who occasionally think about buying a home but keep on paying the other fellow when if they will come to my office I will show them how easy it is to save this constant drain on the family purse.

Geo. H. Currey

Real Estate

When we say that we have practiced dentistry in La Grande for five years we say that we have pleased thousands of people in the matter of taking care of their wants pertaining to this profession. The man who establishes himself on a basis of a square deal and proficiency in his work or profession has as permanent an establishment as the man who owns a ranch of Grande Ronde land. Our aim is to please the public, and satisfy the small voice we call conscience.

Why Not Candles?

Sometimes people say: "Yes, electric lights are very nice but they cost more than kerosene lamps and we can't afford them."

If low cost is your only requirement in a light, then why not go back to candle? They are cheaper still. You get about what you pay for in light, as in anything else. If you pay "candle-price" you get candle light. If you burn kerosene lamps, you have to put up with their shortcomings. But when you pay for electricity, you get **LIGHT—plus, CONVENIENCE, SAFETY AND HEALTHFULNESS.**

Electric lights are worth the difference. Measured by what you get—the only fair standard—they are really cheaper.

Let us tell you about the new globes which give more light for less money.
