PIPPINS TWIST BEARS' TAILS

CELLAR CHAMPS OUTDO THE LEAGUE LEADERS.

Errorless Ball and Childers' Wild-
ness Figure in Game.

Walla Walla, May 29.—(Special)—
Bradley's cohorts pinched the Bears'
ears yesterday and won from the league
leaguers in a bunch of clean
fielding and good hitting. Etchandy
was going the twirling and he did it
well though he was wobbly at times—
excellent support behind him cut off
runs at critical moments and the
Pippins finished like veterans, ablet
Childers, playing third for Walla Walla,
contributed largely to the scoring
of La Grande, his old teammates, by
two disastrous bum heaves in the sixth
A triple by Naughton in the sixth and
a single immediately afterwards by
Higgins started the scoring machine
after Walla Walla had lead one to 0

up to that time. Then Childers and
Davis, Walla Walla's shortstop, went
wild and before the canto was over,
La Grande got a lead that couldn't be
stopped.
Batteries—For La Grande, Etchandy
and White; Walla Walla, Kelly and
Brown.
The La Grande lineup and batting
order: Forbes cf, Higgins rf, Bradley
2b, Owens 3b, Teck lf, Walters 1b,
Naughton ss, White c, Etchandy p.
Score by Innings:
R.H.E.
La Grande . . . 0 0 0 0 0 5 0 0 0—5 6 0
W. W. 0 0 0 1 0 0 0 0 0—1 6 3

Notes of the Game.

Enz, the former Los Angeles south-
paw, was finally signed yesterday and
may pitch this afternoon.
Scott, the Salt Lake backstop, who
spiked his foot a few days ago, is
finally said to be on the way to Walla
Walla to join the team.
Etchandy struck out less men and
walked more men than Kelley, but his
hits were well scattered throughout
the game, being ineffective.
Etchandy walked three and Kelley 1,
while the former struck out seven and
Kelley 11. Forbes was the consistent
hitter for the La Grander lacing out
two two-baggers at critical moments.
Bradley and his crew are going in-
to the game this afternoon with colors
flying as a result of their victory
over the pennant leaders yesterday
and the confidence instilled will go
far toward breaking even or better in
this series, a condition the most sanguine
had not hoped for.
Pendleton Goes Second.
Boise, May 29.—(Special)—Gar-
rett's Buckaroos chased themselves
into second place in the league yester-
day here against Boise:
Batteries—Boise, Mays and Fox;
Pendleton, Garrett and Pembroke.
Score by Innings:
R.H.E.
Boise 0 0 0 0 0 0 1 0—1 5 6
Pendleton . . . 0 0 2 0 1 0 0 1—5 7 2

"Dad" Gimlin announced last night
that he had signed Fred Clark, former-
ly of Ogden, a first baseman who
has been with Gimlin before in many
a hard fought battle on the diamond.
Dad is in communication with several
other players, and expects to put
more new faces in the lineup before
many days. McRae will probably
lose his job. Clark was in negotia-
tions with La Grande for a time but
no agreement was reached.
Hugh Kellackey had not improved
yesterday at Boise and if there was
any chance in his condition the doc-
tors said it was for the worse. It is
now believed that he is due for an
attack of brain fever, and his chances
for recovery are reported as less than
even. It is conceded that he will not
be able to manage a team, let alone
play ball, this season, even though
he should recover from his dangerous
illness.

SPEED FIENDS VIE

will be included among the contest-
ants. Among them are Ralph Mulk-
ford, winner of last year's Vanderbilt
cup race; Teddy Tetzlaff, winner of
the Santa Monica race; Howard Wil-
cox, holder of the mile straightaway
stock car record; "Wild Bob" Burman,
the speed king; Len Zengel, winner
of the national stock chassis road race
at Elgin last year; Ralph DePalma,
the mile track champion, and Caleb
Bragg, the millionaire driver who
finished second at Santa Monica last
year.

Indianapolis is wildly enthusias-
tic over the big race. Public buildings
and business houses are gaily decora-
ted with flags and the colors of the
automobile clubs and associations.
Within the past 24 hours the city
has become the mecca of the automo-
bilists of the country, and every hour
brings more in machines and on the
trains. During the several hours be-
tween daybreak and the sound of the
starter's bell that will send the dare-
devil drivers shooting over the track
at 10 o'clock tomorrow morning nearly
a score of special trains are due
to arrive in the city with delegations
of automobile enthusiasts from Chi-

cago, New York, Atlanta, St. Louis,
Denver, Cincinnati, Detroit and other
cities. A conservative estimate is
that at least 100,000 spectators will
view the great contest.
