## BUYS TWO MAXWELLS IN A YEAR "Our Personal Guarantee to all Skin Sufferers"

The new Maxwell Mascotte belonging to F. S. Bramwell has arrived. This is the second Mascotte Mr. Bramwell has purchased this season. The new machine created a deal of comment among auto people for the second order of the same make and type of auto in one season by a man in one year is conceded to be an endorsement of merit. To a reporter from the Observer Mr. Bramwell said: "About three months ago I bought a Maxwell Mascotte. All the family learned to run it and then I got a chance to sell it with little loss. My two sons and I went to Portland to buy another car. We tried every

make carried in the city and put them all to the Portland Heights test. The Maxwell stood it better than any of the rest. It made the hills with less effort, heat up less and seemed in better shape after the trial. I bought another Maxwell Mascotte and I do not hesitate to recommend it to any of my friends who contemplate purchasing a car." Mr. Cohen, the Maxwell Portland dealer, is in La Grande for a few days giving demonstrations with Mr. Leighton, the local agent, and reports a splendid business all over the state in the Maxwell line this year.

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right. So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee, backed by ourselves you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons. We keep in stock and sell, all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or tetter, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

bottle will cost you nothing. You alone to judge. Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent. D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D. We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive no-day guarantee.

## FLAG DAY IS TO BE REPLETE

### ELKS ARE PREPARING FOR THE CEREMONY.

Teachings of the Order to Be Exemplified June 14th.

The B. P. O. Elks of La Grande are arranging an exquisite program for Flag Day, June 14th, which is, according to Elksdom, a special occasion with the lodge. The services will be public or stirring ceremony could be arranged and it is doubtful if a more patriotic ed for any national day.

One of the teachings of the Elks order is patriotism—"My country, first last and all the time." To further instill into the minds of the members, of the public and especially of the rising generation the intense patriotism for the stars and stripes the lodge joins in a beautiful manner the commemoration of the flag's birth.

This will be the first service of the kind held in La Grande and the program that is being arranged will be one that will start the annual event off here in a good way.
