POSTPONEMENT OF YESTERDAY
ADDS TO LIST.

Local Team Has One More Game Than
Any Other to Play Off

STANDING OF THE CLUBS.

W. L. P. C.
Walla Walla 10 7 .588
Boise 9 8 .529
Pendleton 9 9 .500
La Grande 6 10 .375
Four double headers are on the boards for the La Grande club. The weather gods yesterday decreed that Walla Wallans should see no game making the fourth game that has to be played out of schedule. La Grande is leading the league in this respect, at any rate. She has one tie game to play off with Boise, two postponed games with Pendleton and now one with Walla Walla. While fans admit the postponed games anger good for the Pippins as they are becoming stronger every day, still the finances

will suffer seriously. Again the probable increased strength of the game will be tasked to handle all the postponed games in view of the fact that La Grande has more of them to play than any other team. Boise has three, Pendleton two, and Walla Walla three to play off in the near future. It is also probable that a majority of these games will be played afternoons although local commodores of the ship of baseball would rather have them played morning and afternoon.

Boise "Comes Back."

Boise, May 30. — (Special) — By squeezing in a run in the tenth inning Boise won yesterday.

The batteries—Fox and Fox for Boise; Rustemeyer and Pembroke for Pendleton. Score by innings:

R.H.E.
Boise 0 1 1 0 1 1 0 0 0 1-5 11 1
Pendleton 0 0 0 0 2 0 1 0 1 0-4 13 5

IMPROVEMENT GROWS Apace

VARIOUS SECTIONS OF THE CITY SEE NEW HOMES.

Repairs and Improvements Actual
Scores of Home Owners.

Court Reporter Hanna has been making some splendid improvements at his home on the corner of Cedar and Adams avenue. Besides laying cement sidewalks on two sides of his property he has the lot graded and his parking carefully laid out and planted to grass. C. M. Lockwood on the corner of Oak and Adams is also making a great difference in the appearance of his home which he recently purchased from Hugh McCall.

W. B. Sargent is going to build a new bungalow on Second street at once and other homes on that street are soon to be erected.

A. L. Richardson is rebuilding a residence on Seventh street, and Paperhanger Bookman is completing a large residence on Spring street.

"Slow Down" Notices Issued.

The city has had painted a number of "Slow Down" notices which will be placed on all highways entering La Grande for the benefit of the automobile driver who is not familiar with the city's laws.

Leaves for Norway.

Prof. N. J. Mansager, of the La Grande high school, left last night for Norway for a three months' visit in his native land with relatives and friends. He has been in America 18 years and this is his first trip back.

Billie Burke will have the principal part in Pinero's new comedy, "Mind the Paint Girl."

FUGITIVES IN HILLS; NO WORD

ANOTHER DEPUTY HASTENS TO
MAN-GIRL HUNT.

Believed Miss Norris Is Suffering in
Mountain Storms.

Developments in the Norris-Hobson elopement from Elgin this afternoon are merely that Deputy Lee Warnick has gone to Elgin to proceed on a hunt for the deputies and elopers who have not been heard from. The girl who is but 17 and unused to trying tasks of braving mountain rains for days is suffering hardships, it is feared. Dressed as a man she eloped with Hobson several days ago and though deputies have been on the hunt for 36 hours and more there is no trace of them—at least no word has been returned to the sheriff's office here or to Elgin. Both of the fugitives are well known in Elgin, the girl being an especially beautiful young lady of good parentage.

MARINES SENT TO CUBAN SOIL

FIRST DETACHMENT ORDERED TO
GUARD PROPERTY.

First Actual Invasion of Cuban Soil
Occurs Today.

Havana, May 30.—The first party of American marines to be landed on Cuban soil as a direct result of the negro insurrection, landed today when a detachment of marines was sent to Daiquiri, following a rebel raid last night on the company's plant at Playa in Santa Clara province.

ENGINE OFF TRACK.

O.-W. Engine Breaks Culvert at Hilgard Yesterday.

Venturing up the Grande Ronde Lumber company's tracks to push some logging cars out of the way, an O.-W. engine yesterday afternoon crashed through a culvert at the end of the Hilgard Y. Considerable difficulty was met in getting the engine back but none was hurt or any serious damage done.
