**It Startled the World**

When the astounding claims were first made for Bucklen's Arnica Salve, but forty years of wonderful cures have proved them true, and everywhere it is now known as the best salve on earth for burns, boils, scalds, sores, cuts, bruises, sprains, swelling, eczema, chapped hands, fever sores and piles. **S.S.S. THE CURE FOR SCROFULA**

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthy manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.

**NEW GARAGE IS OPEN FOR TRADE**

**MODERN ESTABLISHMENT COMPLETE IN DETAIL.**

Up-to-Date Machinery and Supplies Make New Shop "Classy"

The new Leighton garage on Washington street between Elm and Fir streets opens tomorrow for business. It is a fireproof building 40x110 feet, cement floor, fitted with double pits for repair work, with imbedded gasoline storage tanks, air plant, vulcanizing department for rubber repairs, modern lathes and other machinery necessary to equip a first class machine shop.

Besides handling repair work of all kinds Mr. Leighton is receiving a large stock of tires of all sizes, automobile supplies and sundries and bicycle sundries and tires. "I have learned that sending for goods is not satisfactory to the man who moves fast enough to drive an automobile," said Mr. Leighton to a reporter for the Observer today, "and therefore I have ordered a stock of auto and bicycle merchandise which means that when a new tire is needed a driver comes here and gets it the same as the farmer goes to a harness shop and buys a set of harness. I am going to have the best equipped shop east of Portland and no job will be either too large or too small for us to take care of promptly. The building is fireproof and I shall give night and day service."

Mr. Leighton continues as local agent for the Maxwell car and the new garage will be the home of the Maxwell. His repair department will care for anything in the line of repair work and is not confined to automobiles and bicycles wholly.

Now is the time to get rid of your rheumatism. You can do it by applying Chamberlain's Liniment and massaging the parts freely at each application. For sale by all dealers.
