When rough, high-proof, strong whiskey begins to tell on you—when your nerves and stomach commence calling for help—try a little Cyrus Noble. It is mild in character—aged in wood in charred barrels—blended and re-aged in steam-heated warehouses. This gives it that palatable, enjoyable flavor peculiar to its mellowness—its richness.

Sold by first-class dealers all over the world.

Another Good Deal

For the rest of this week we are going to give a tooth brush holder with every tooth brush sold out of our window. It pays to take care of your teeth as you can see the results of not taking good care of them by looking at the bottle in our window. We have a fresh supply of Rieckrecher's tooth paste and tooth powder which we think has no equal at the price.

Buy a tooth brush, 25 cts, and get holder free.
