By the use of modern methods much of the dental work which is done today is painless and the balance is much less painful than heretofore. New anaesthetics are appearing on the scene and methods of operating which were not dreamed of a few years ago are employed by those who keep abreast of the times and greater service is rendered to the human family than was possible a few years ago. You no longer hesitate to have a nerve removed from a tooth for you know it can be done with so little pain that it is not worth mentioning.

We are ever at the service of the public.

WOMEN TO HAVE HEADQUARTERS

CHAUTAUQUA GIVES HEADQUARTO "VOTE FOR WOMEN" CLUB

Will Have Prominent Workers in the Field for Next Election.

Mrs. C. B. Wade of Los Angeles, secretary of the club campaign in Eastern Oregon will have her headquarters at the chautauqua assembly in La Grande next month. It is hoped that all the women of the valley will be making preparations to assist in the work, and will make an effort to circulate this bit of news. The press of Union county will greatly aid if they give publicity to this item.

There s a scarcity of workers and money devoted to the cause in Eastern Oregon, and the voters only need to know that women want the vote. Besides that voters know that Oregon needs the vote of the women.

Oregon leads in progressive legislation but Washington and California are now ahead inasmuch as they have political equality, are truly democratic and all the people help in making the laws. There seems to be very little doubt that Ohio will be next, as the constitutional election in August will decide the question there.

With Ohio seventh let us not fail to make Oregon eighth.

Nevada Democrats.

Reno, Nav., June 3.—Democrats of Nevada assembled at Fallon today for a state convention to select delegates to the national convention at Baltimore. The followers of Champ Clark and Woodrow Wilson are contesting for control of the delegation.

An Investment Or A Home

There is a difference between an investment or a home but when you can combine the two you have something extraordinary.

I have it!

160 acres every foot first class land, three living creeks running through it, 25 acres in meadow, 8 acres in clover, a family orchard just the right size for a general all around farm. Fair house and large barn, 110 acres under cultivation. This farm lays just right, you would think it was level as a floor, but it has just enough slope to provide proper drainage and ample water to irrigate when needed. Natural alfalfa land, plenty of wood for fuel for several years. 1 1-2 miles from churches, schools, lodges, R. F. D. within two hundred yards. The place for the man who wants to grow hogs, run a few cows, raise a few colts every year, grow a good garden, raise his own hay and sell some besides, live in a splendid neighborhood, where the things that we all love and desire are already established. You are not pioneering when you buy a home like this. I know of nothing at the price in this valley as good as this. I mean it. I have sold three genuine bargains through advertising during the month of May. I do not permit my ads to raise falsehopes that the property when seen does not warrant.

Here is an opportunity that will not be on the market long.
