ATHENA PICNIC
HUGE AFFAIR

SATURDAY'S GATHERING OF FARMERS INTERESTS.

Big Delegations See Ball Games, Hear Speeches and Enjoy Meals.

Baker gets the next Farmers' Union district convention. This meeting has been set for December, according to E. S. Norris, who has returned from Athena where 2,000 farmers were in attendance during the festivities.

Union County Farmers Union members will be interested in the following news dispatch from Athena where E. S. Norris represented this valley and the big farmers' picnic. The fourth annual farmers picnic held in Athena Saturday was a great success. People from various parts of Oregon came, making a large crowd.

At 10 o'clock the parade, headed by the Athena band in autos with W. R. Taylor as grand marshal, formed at the depot and with a long line of autos went up Main to Fourth street, thence to College, then to Third street and then to the park where the program was rendered.

The ball game in the morning was poorly patronized on account of the program at the park. Weston defeated Athena by a score of 3 to 1.

At four o'clock the La Salle Business College baseball team of Walla Walla crossed hats with Athena, the former winning by a score of 16 to 9. Batteries for Walla Walla were Jones and Boever; for Athena, Dudley O'Hara and Lleuallen.

The game with La Salle was liberally patronized and much enthusiasm was manifested.

At 7 o'clock the band gave a concert. The remainder of the evening was spent in dancing.

BITULITHIC A FAVORITE.

Council Committee Reports in Favor of Same Paving Material as Pocastello Adopted.

That Pocastello made no mistake in adopting bitulithic paving for the principal thoroughfares of the Gate City is the testimony of a special committee appointed by the city council of Idaho Falls. The Idaho Falls Morning Post says: "Councilman Clark of the same committee was also

highly pleased with bitulithic. His observation, he said, showed that asphalt paving cracked after a few years, and after the cracks once started time till new paving was required. Wood blocks, he said, would swell and break the curbing. Mr. Clark stated that the city engineer showed him some bitulithic pavement that had been down eight years, and it was as good as new. The unanimous opinion of officials and property owners was that bitulithic was the best paving in Portland." Adv 6-4-12

SHERRY'S.

The Jocular Winds of Fate Featuring Maurice Costello

This thoroughly well acted and delightful picture will be the feature at Sherry's Monday and Tuesday, June 3 and 4, giving a very romantic comedy.

We have never seen Mr. Costello to better advantage than in this role of a poverty stricken nobleman whose lawyer has told him he must marry money and who becomes chauffeur to a rich brewer with a daughter (Flora Finch) who will be a great heiress. Mrs. Kate Price is the brewer's wife. On the other side of the picture, there is a pretty heiress (Clara Kimball Young) whose mother insists that she marry a duke (James Young). She simply won't do it, and runs away to serve as a maid in the brewer's family. Without knowing who is who, she and the chauffeur fall in love. We have given but the briefest sketch of this picture's story. Its value comes from the unstrained humor of its situation and from the acting. Mr. Ober, as the lawyer, makes his part a distinct and lovable character Mr. James Young, as the duke, is remarkably true to a type. Clara Kimball Young is charming in the role of the romantic girl and acts very naturally. Flora Finch, perhaps a bit too aristocratic in appearance for her part, furnishes the best part of the comedy. Mr. Costello's playing in romantic roles has won him the widest kind of reputation; he is perfect.

S.S.S. HEALS
SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is the only hope of a cure, S. S. S., a medicine that can purify the blood, is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.
