MISSIONARIES WILL CONVE

L. D. S. CHURCH HAS IMPORTANT
EVENT SCHEDULED.

Missionaries to All Lands Now Re-
turned Will Address Dinners.

Saturday will be an important day for L. D. S. members of Eastern Oregon when the Mormon missionary gathering will be held at Union. It is to center around a banquet at night whereat missionaries from the church to foreign lands will be present as guests of honor and, after, dinner speeches will hinge on experiences in other lands. This section of the country has sent missionaries from the Mormon church to nearly every civilized land in the world and a greater majority of these missionaries, now returned, will be seated at the table.

A special train, in addition to any stock show trains that may be run that day, will carry the church membership from this city and territory to Union. It is planned to have the train leave here early in the forenoon returning that night.

To Divert Immigration From Canada.

Seattle, Wash., June 4.—Nearly one thousand delegates are in the city to attend the Northwestern Development congress, which opens tomorrow. Influential delegations, in nearly every instance headed by the governor of the state, are on hand from California, Idaho, Nevada, Oregon, Washington, Minnesota, Arizona, Utah, Montana, Wyoming, Colorado, South Dakota and North Dakota. The principal ones will, however, be the question of a uniform public lands policy and proposed legislation which will assist the northwestern states in more rapid development and to stem the tide of emigration to western Canada.

Dunkards' Convention.

York, Pa., June 4.—The yearly convention of the Old German Baptist church of America, commonly called the Dunkards, began its sessions here today. Thousands of delegates and visitors are in attendance, the majority of them from Pennsylvania and Ohio, though California, Oregon and other distant states are represented. The program covers an entire week and provides for several sermons by leading Dunkard ministers, a monster barbecue, a grand song service and a public foot washing of the members of the church.

Extra Session in Minnesota.

St. Paul, Minn., June 4.—Pursuant to the call of Governor Eberhart the members of the Minnesota legislature convened in extra session here today to consider measures providing for statewide direct primaries, a corrupt practices law and reapportionment.

Iowa Catholics Meet.

Mason City, Ia., June 4.—The Catholic Total Abstinence Union of Iowa met in annual session here today with several hundred delegates in attendance. The guests of honor and principal speakers were Archbishop J. J. Keane of Dubuque and Very Rev. P. J. O'Callaghan of Chicago, president of the national organization.

FEATURES AT ARCADE.

EXCEPTIONALLY STRONG PROGRAM TONIGHT AND TOMORROW

Arcade Theatre Features "The Convict's Parole" for Two Days.

Tonight and tomorrow the management of the Arcade theatre offers an exceptionally strong program, featuring "The Convict's Parole," credit for which is given to Melvin H. Winstock, general manager of the People's Amusement company of Portland, Oregon. This picture is based upon the action of the governor of the state of Oregon.

This is an extra flood film and story also Miss Florence Turner, the "Vita-graph Girl," makes her first appearance in a fine comedy, after her long and much needed rest and Martine and Harting are the best entertainers yet presented. This is an all star program and there are other good pictures besides the ones mentioned. No raise in admission. Always ten cents.

HAVE YOUR NEW HOME Wired for Electricity

Practically all the new houses being built in La Grande this summer will be wired for electricity.

That is as it should be. Electric lights are recognized as the only satisfactory lights for the home. They are as essential as plumbing. They will pay you big dividends in health and happiness. But if you happen to live in a rented house, that is no reason why you should be deprived of their use. The cost of installation is so small, and the benefits so marked, that you will wonder why you never insisted on them before.
