SAVE YOUR HAIR.
Don't Use Preparations Containing Poisonous Sugar of Lead or Sulphur
Even if you have healthy hair you ought to use a little PARISIAN Sage once a week as a hair dressing. It keeps the hair healthy, prevents scalp itch, falling hair and dandruff, and baldness.

But be sure you get PARISIAN Sage. There are many imitations. The girl with the Auburn hair is on every carton and bottle of PARISIAN Sage.
It banishes dandruff, stops falling hair and scalp itch, and imparts to the hair a brilliancy and lustre that all women as well as men love so dearly. PARISIAN Sage is a daintily perfumed and refreshing hair dressing. It's the best hair tonic you can buy. Large bottle 50 cents at the Newlin Drug company and dealers everywhere.

Why Salves Can't Cure Eczema
Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged.
This—the quality of penetrability—probably explains the tremendous success of the well known liquid eczema remedy, oil of wintergreen, thymol, glycerine, etc., as compounded in D.D.D. Prescription.
We have sold other remedies for skin troubles but none that we can recommend as highly as this for we know that D.D.D. stops the itch at once. We can give you a trial size bottle for 25 cents that will be enough to prove it.
Of course all other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.
But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.
