CRAIG GUILTY OF ASSAULT ONLY

CHARGE AGAINST HIM MODIFIED IN VERDICT.

Court Takes Recess Today That All May Attend Stock Show.

George Craig escapes the penitentiary for assaulting Jim Slack at the sugar factory a few months ago during a quarrel. The jury returned a verdict last night after short deliberations, freeing Craig of the assault with intent to kill charge, but did find him guilty of assault. There were three optional courses before the jury—to find him guilty as charged, guilty of assault, or not guilty, and the second verdict was found. The sentence will be pronounced later. The cutting for which Craig was on trial, occurred one evening at the sugar factory and it was by the merest chance that Slack was not killed outright.

Court Takes Recess.

Today the court is enjoying a recess that all who wish might attend the stock show at Union. Cases will resume in the morning, however.

The opening day features include a big parade, the welcoming exercises late in the afternoon and a grand ball in the evening. Tomorrow's great feature will be a spectacular Mardi Gras parade in the morning, athletic games in the afternoon and a special vaudeville performance

in the evening. Saturday will be devoted to a business meeting and the election of officers and sightseeing in the afternoon.

HAVE YOUR NEW HOME Wired for Electricity

Practically all the new houses being built in La Grande this summer will be wired for electricity.

That is as it should be. Electric lights are recognized as the only satisfactory lights for the home. They are as essential as plumbing. They will pay you big dividends in health and happiness. But if you happen to live in a rented house, that is no reason why you should be deprived of their use. The cost of installation is so small, and the benefits so marked, that you will wonder why you never insisted on them before.
