chautauqua friends met with excellent success as the membership ticket of \$10, entitled the owner to four tickets with which he can do as he pleases \$10, entitles the owner to four tickets in the management of the chautauqua. While there has always been an annual meeting there has never been a well defined organization and the certificate plan affords cheap tickets to this splendid attraction and creates a well-defined organization. Negotiations were closed last night for the employment of the La Grande band on the Fourth of July when the chautauqua will center around John Mitchell and the famous Apollo Concert company of Chicago.

SCOTT NEW MANAGER. Catcher Scott who came here from Ogden has taken the captaincy and management of the La Grande team at Pendleton and local papers there say he has gotten off right with the squad. He is hitting well and fielding nicely.

Pendleton, Ore., June 7.—(Special)—With Sturgis, the Pendleton boy who formerly pitched for the University of Washington, in the box, the Buckaroos dropped a game yesterday to La Grande by the score of four to one. Sturgis is in business here, and, although he has not played this season, he was prevailed upon to pitch because of the fact that, through Garrett's illness, and Rustemeyer's release, the local pitching staff has been reduced to two members. Despite his softness, he twirled a good game and but for poor support in the sixth inning when he needed help he might have won his game.

Etchandy in Good Form. Etchandy twirled for visitors and was in fine form, keeping his scattered well through nine frames. The only run scored by Pendleton was in the fourth and this was due directly to the great speed and pathwork of Augustus. The little shortstop beat out an infield hit, purloined second and third and then with Mensor's assistance executed a double steal for the lone tally.

Two Pippins Star. Luttrell and Walters figured strong in the batting column, the former getting three hits out of five times up and the latter three out of four. One of the features of the game was the retiring of the La Grande batters in the eighth by three catches of fouls after long runs, Pembroke, Teck and Augustus being responsible.

The Summary. R.H.E. Pendleton 1 8 4 La Grande 4 12 2 The Batteries—For Pendleton, Sturgis and Pembroke; For La Grande, Etchandy and Scott.

"The Pippins played one of the cleanest fielding games of the season. Only one error marked up against them and that was made by a man playing out of his regular position," says the East Oregonian writer of Wednesday's game.

The ends of Enz are some distance apart. He measures something over six feet with his heels nude.

Walla Walla Loses Again. Boise, June 7.—Walla Walla lost before Mays yesterday, in a game that was Boise's, 4 to 0. Batteries—Boise, Mays and King; Walla Walla, Pitman and Brown.
