LADD CANYON NEWS ITEMS

QUARTERLY CONFERENCE TOMORROW AT LADD CANYON.

Personals, News Items and Locals of General Interest.

Ladd Canyon, June 8.—(Special)—Ladd Canyon was well represented at the stock show at Union, a large delegation going over on Thursday, La Grande's day. Everybody reported that they had a very enjoyable trip.

Mrs. James Mulholland and little 10-pound baby girl, who was born Saturday, June 1st, are doing nicely. Dr. Hall of La Grande was the attending physician.

The Misses Jennie and Kate Ashby, of North Powder, came down here part of the week, to visit a few days with Misses Frank's and Ruth Peeler; on receiving word that their mother was ill, Miss Jennie returned home after a few days' visit, Miss Kate remaining for a longer stay.

Mrs. Eula Dougherty arrived yesterday morning on the excursion train from Enterprise, for a visit with her parents, Mr. and Mrs. Dick Peebler.

The fourth quarterly conference of the island City circuit of the Methodist Sunday school workers will be held in the grove by Wm. Banton's home in the mouth of Ladd Canyon Tuesday. A good program will be rendered, and speeches by Dr. Gillilan of La Grande and Dr. Halley will be given. John Larm will deliver the opening address. One and all are cordially invited to bring their dinner and join the picnickers. We have already been promised a crowd from La Grande and Island City.

Berry to Face Charges.

Hale Springs, Tenn., June 10.—What promises to be the most momentous convention in the history of the International Printing Pressmen's union is to be held here this week at the national home and headquarters of the organization. The recent strike of the pressmen employed by the newspapers in Chicago and several other cities is said to have caused considerable dissatisfaction among the members with the present heads of the union. Criticism is aimed particularly at President George L. Berry, and it is reported in some quarters that an attempt will be made in the convention to oust him from office. Friends of President Berry, however, declare that the reports of dissatisfaction are greatly exaggerated, and that there is little probability of any attempt to depose him from his position at the head of the union.

HAVE YOUR NEW HOME Wired for Electricity

Practically all the new houses being built in La Grande this summer will be wired for electricity.

That is as it should be. Electric lights are recognized as the only satisfactory lights for the home. They are as essential as plumbing. They will pay you big dividends in health and happiness. But if you happen to live in a rented house, that is no reason why you should be deprived of their use. The cost of installation is so small, and the benefits so marked, that you will wonder why you never insisted on them before.
