A ROYAL WHIM.

Francis I was rather a gay monarch and particularly fond of the ladies. Once when visiting at the castle of one of his noblemen, he rather thought he would like to hold a tete-a-tete with the countess, so under pretense to kissing her hand at parting for the night, he slips a note in her palm suggesting a rendezvous. This splendid picture will be at Sherry's Tuesday night for the last time.

Your Druggist Stops That Itch

If you are suffering from Eczema, Psoriasis or any other kind of skin trouble, drop into our store for instant relief. We will guarantee you to stop that itch in two seconds.

We have sold other remedies for skin troubles, but none that we could recommend as highly as this, a mild wash of Oil of Wintergreen Thymol and a few other ingredients that have wrought such wonderful cures all over the country.

This compound is known as D.D.D. Prescription for Eczema and it will cool and heal the itchy, burning skin as nothing else can.

A 25c trial bottle will prove it.

Of course all other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big-profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee:—if you do not find that it takes away the itch AT ONCE it costs you not a cent.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
