SHAPPY GAME GOING LA GRANDE'S WAY.

Mountain Has Wobbly Spots But Was Well Backed and Going Good.

"Shine" Harmon inflated home run hits to the new fair grounds diamond yesterday in the game with Walla Walla and tied up the score so that when the game was later called on account of dust, La Grande was ahead 6-4. The score in the sixth was four all, made so by a home run by the right fielder who scored Naughton ahead of him in the sixth. Walla Walla sent Pitman against a certain amount of trouble in the mountain early in the game, but the punning the pennant leaders and but for his negligence in walking too many men toward him the pitcher would have done first rate. The pitcher and marked with more vim and pep than a customary game, although the field was slow because of the loose ground and dust. Walla Walla got away in the first inning a man when Mountain walked the first man up. This was Harmon and he percolated second so that when Davis laced out a clean two bagger, the runner scored. The inning was retired with two snappy plays by Walters and a catch by McIvor. In the fourth Walla Walla scored again through a walk, when Childers got transportation and Swanson's little hit was boosted. Martini advanced both men with a sacrifice and Rochon's hit was fielded to the play but not in time to stop Childers. In the fifth Harmon's drive to Bradley was thrown wild, allowing Johnson to score second. He was scored by Brown's single. Mountain hit a home run in the sixth. Two singles and a sacrifice scored Martini in the sixth. In the seventh La Grande got away when by still battling in the fifth, Forbes and King scored. Forbes tied off with a single and was scored on King's splendid two base drive, King later stealing third on a misplay. Mountain helped matters by scoring King with a single. Naughton scored in the sixth and Harmon's home run transpired. The seventh inning was called after one was out because of dust.

Notes of the Game.

General Manager Jack Barry watched the game from the sidelines. He will probably get into uniform in a day or two when he has had time to fully study the weaknesses and virtues of the Pippins.

potter is also a good fielder. Long with the mask on is the general favorite. Everybody likes his playing and the fans feel perfectly safe with him. Aug. Bade claims King's position and all around it.

"That La Grande has a loyal bunch is seen from the crowd that stayed through the dust storm—in fact, La Grande always was a good baseball town." Manager Bude of Walla Walla says.

Davis' unassisted putout and assisted double was a feature of the game. It was snappy.

Walters pulled off three good stunts yesterday. He caught a one-handed ball in the nick of time.

Bradley scooped up two clean ground balls, and Forbes came in for the third out.

Longacker is destined to be a star in the Tri-State league next year. He still has his eyes with him and umpires rattling all.

Mountain is a good pitcher. He spots out the batters and is hard to control off the field.

La Grande may come back home a week longer.

LA GRANDE

HAVE YOUR NEW HOME Wired for Electricity

Practically all the new houses being built in La Grande this summer will be wired for electricity.

That is as it should be. Electric lights are recognized as the only satisfactory lights for the home. They are essential to health and happiness. But if you happen to live in a rented house, that is no reason why you should be deprived of their use. The cost of installation is so small and the benefits so marked, that you will wonder why you never insisted on them before.
