

CONFERENCE IS POSTPONED

ISLAND CITY CIRCUIT PLANS ARE CHANGED

Personal Mention and News Items From Ladd Canyon District.

Ladd Canyon, June 13.—(Special)—The quarterly conference and picnic of the Methodist Sunday school workers which was supposed to have been held at the mouth of Ladd Canyon, in the grove, by William Banton's house last Tuesday, has been postponed until Tuesday, June 25th, on account of Dr. Haley's absence—one of the chief speakers. This will be the fourth quarterly conference of the Island City circuit, which comprises Ladd Canyon, Hilgard and Island City. John Larm will deliver the opening address and Dr. J. D. Gillilan will speak besides Dr. Haley, district superintendent. A good program has also been provided. Anyone who wishes is cordially welcome to bring their dinner and join the picnickers. We are already promised a crowd from Island City and La Grande, the nearest towns.

Nearly everyone in Ladd Canyon attended the stock show at Union last week, many attending two days. All who went report their time well spent. Mrs. William Clark is here from La Grande, the guest of Mrs. James McClure.

Mrs. Belle Huntly and children of La Grande spent a few days last week with Mrs. Huntley's mother, Mrs. Marie Larm.

Mrs. Eula Dougherty, who arrived here from Enterprise last Friday morning for a visit to her parents, Mr. and Mrs. Dick Peebler, left yesterday morning to visit overnight in La Grande with her sister, Helen Peebler, who is still taking treatment from Dr. Freeman, for spinal myelitis, and will take the branch line train for home this morning.

There is no real need of anyone being troubled with constipation. Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers. eod

An Investment Or A Home

There is a difference between an investment or a home but when you can combine the two you have something extraordinary.

I have it!

160 acres every foot first class land, three living creeks running through it, 25 acres in meadow, 8 acres in clover, a family orchard just the right size for a general all around farm. Fair house and large barn, 110 acres under cultivation. This farm lays just right, you would think it was level as a floor, but it has just enough slope to provide proper drainage and ample water to irrigate when needed. Natural alfalfa land, plenty of wood for fuel for several years, 1-2 miles from churches, schools, lodges, R. F. D. within two hundred yards. The place for the man who wants to grow hogs, run a few cows, raise a few colts every year, grow a good garden, raise his own hay and sell some besides, live in a splendid neighborhood, where the things that we all love and desire are already established. You are not pioneering when you buy a home like this. I know of nothing at the price in this valley as good as this. I mean it. I have sold three genuine bargains through advertising during the month of May. I do not permit my ads to raise false hopes that the property when seen does not warrant.

Here is an opportunity that will not be on the market long.
