Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The program at the Arcade for Monday and Tuesday is the best shown there for a long time, featuring a great war drama, also a fine Vitagraph and Biograph and an unusually funny comedy.

Manager D. H. Steward takes great pride in announcement as a record booking made for the Steward opera house Thursday, June 20, of the big musical comedy success, "The Flirting Princess," with a large company headed by Harry Bulger, an inimitable comedian, last seen here as "Bluejay" in Henry W. Savage's "Woodland." This will be the first visit to our city of this, an entirely new departure in the musical comedy line, inasmuch as Mort H. Singer, under whose able direction "The Flirting Princess" comes here, has diverted widely from the beaten path by introducing more intricate and new dancing numbers than half a dozen other attractions combined. The music, too, is away and above that usually heard in latter day musical comedies.

Don't fall to see "The Cry of the Children" at the Elite tonight.
