BALKED THE BULL

Presence of Mind That Saved the Life of a Little Child. A regiment of the German army resting in a country road was appalled to see a great bull madly pursuing a little child in a field near by and yet so far away that the child could not be reached in time to save it nor yet saved by the shooting of the animal.

The bull had his horns down, and all the soldiers were horrified to see that in another moment the child must be gored to death. For an instant no one seemed to know what to do, and then the drum major shouted to the buglers of the band, who stood near with their instruments in their hands, to sound a loud blast. They looked agast.

"Sound, I say, for God's sake, to save the child!" repeated the drum major. Then the buglers blew a blast at the top of their lungs. The drum major knew that animals of that species were so much affected by strange and high pitched musical sounds that they seemed compelled to imitate them. This bull proved to be no exception to the rule.

As soon as he heard the bugle blast he paused in his pursuit of the child, glanced toward the band, raised his head and began to bellow madly. The buglers kept up as high and discordant a tumult as they could, and meantime soldiers were running to the rescue of the child. Before the bull had finished his attention to the bugles the child was in a place of safety.—New York Tribune

A Wonderful Tonic That Aids Digestion

Thousands are unable to digest certain kinds of food. In most cases it is not the fault of the food, nor the stomach. It is probable that the stomach has been abused. Many resort to pre-digested foods and various kinds of medicines to get relief from dyspepsia, indigestion and heartburn, but without permanent benefit. If your stomach was in perfect condition, you would not need medicine to digest the foods you eat. Jayne's Tonic Vermifuge is a stomach regulator. It gets the stomach in such a condition that it will digest food without other assistance. It overcomes the acidity and stimulates the coating of the stomach and intestines so that they will properly absorb and assimilate the nutriment from the food eaten. Sufferers from dyspepsia and indigestion will find permanent relief in a short time after beginning the use of the tonic. For children, the addition of a little sugar will make it most palatable. Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
