# A MAN IS KNOWN

by the company he keeps." Nobody denies that. If he is the right kind of a man he wants the right kind of neighbors for himself and his family. If he has a proper pride in his home he wants to keep it looking well—his lawn cut, his parking strip graded and set to lawn, the shade trees trimmed and his house and outbuildings neat and clean. **BUT THAT'S NOT ALL**—he wants his neighbors to keep their homes looking the same way. If they don't the value of his property is depreciated and his efforts to improve the appearance of his home are perpetually defeated in advance.

The value of city property is determined not only by the location, size and improvements upon the lot itself, but also in great measure by the improvements upon surrounding property. A beautiful home may be totally ruined by shacks, stables, dog-kennels, chicken-coops and unsanitary outbuilding around it. By lawns grown up to weeds, by parking strips neglected and not even graded, by dirty streets and undesirable neighbors. Look around La Grande and you will realize the truth of this statement. You may not be able to control the character of your neighbors, **BUT IF YOU BUY IN A RESTRICTED DISTRICT** you can control the character of the improvements they put upon their property.

Connordale is the only residence tract in La Grande upon which restrictions have been placed that protect the purchaser from these nuisances. It is better to **START RIGHT** than suffer the inconvenience and expense of correcting these evils later. Let us take you down to Connordale. Your wife will appreciate the advantages of our restrictions and improvements.
