DANGER IN DELAY.

Kidney Diseases Are Too Dangerous for La Grande People to Neglect.

The greatest danger of kidney troubles is that they get firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease, follow in merciless succession. Don't neglect your kidneys. Help the kidneys with the reliable and safe remedy, Doan's Kidney Pills, which has cured people right here in this locality.

J. D. Morrow, 517 Marie St., Pendleton, Oregon, says: "For about three months I had backache and if I did any work that required stooping sharp twinges darted through my loins and over my right kidney. The secretions from my kidneys were unnatural and irregular in passage and pained me intensely when being voided. On a friend's advice, I used Doan's Kidney Pills and they corrected my trouble. I gladly give this preparation my endorsement." For sale by all dealers. Price 50

Iron Where It's Cool

Don't do your ironing in a hot kitchen; use an electric iron and iron in the coolest room in the house. Wherever there is a light socket, you can use an electric iron.

You will be able to do your ironing in about half the time it takes now, for you don't have to change irons or wait for them to heat. Your clothes will look better too, for there's less likelihood of scorching them.

Another thing: You'll find it costs less to heat an electric iron than the old fashioned kind. So everything is in favor of the woman who irons with electricity.

We keep all sizes and styles of electric irons constantly on hand, and you will find our prices very modest.
