

COVE LEAGUE HAS SOCIAL

UNION PEOPLE ATTEND FUNCTION LAST FRIDAY.

About Eighty People Attend Event Given by Cove Leaguers.

Cove, June 28.—(Special)—On Friday evening, June 21st, the Epworth League of Cove gave the young people of the Union Epworth League a cordial welcome to a social function, gotten up for their especial benefit.

A four-horse team and hayrack was sent from Cove, and about 20 of the young people from Union got on board and enjoyed the novelty of a straw ride to Cove and return; others came in their own rigs and Union was represented by about 35 young people.

The social was held in the Odd Fellows hall and the young people gathered to the number of about 80; supper was served between the hours of six and seven o'clock, after which a stroll around the town was a brief feature; about half past eight the young people again met in the hall where music, recitations and games were enjoyed for about two hours, after which ice cream and wafers were served.

The evening passed off very pleasantly and all agreed that the young people of Cove were royal entertainers; after congratulations and good-byes, silence soon reigned again in the little town of Cove, for a merry, jolly lot of young people were wending their way homeward bound.

A SARTORIAL TRAGEDY.

The Lady Accepted a Flower and Lost Her Beautiful Figure.

In London Truth of March 8, 1877, Henry Labouchere told this story of a toilet calamity due to the feminine fashion of those days:

At a dinner party given lately in Paris one lady was remarked above all others for the elegance of her figure and the perfection of her toilet. During the mauvais quart d'heure before dinner she was surrounded by a host of admirers, and one less bashful than the rest ventured to offer her the flower from his buttonhole. It was accepted, but as the "princess robe" worn by the graceful creature was laced behind it was necessary to fasten the flower to the front of her dress with a pin. The operation was successfully performed, and the fair lady was led in to dinner by the donor of the flower. They were hardly seated when he heard a curious sound like the gentle sighing of the wind, and on turning toward his partner he saw with horror that the lovely figure was getting "small by degrees and beautifully less." The rounded form had disappeared before the soup was over, and long before the first entree the once creaseless garment hung in great folds about a scraggy framework! It seems that the newest dresses for "slight" ladies are made with air tight linings and inflated until the required degree of embonpoint is attained. The unfortunate lady mentioned above had forgotten this detail when she fastened the fatal flower to her bosom with a pin; hence the collapse.

He Dodged.

A lady, observing that a stranger in her pew had no hymnbook, politely handed him one. "Thanks," said the gentleman, with great suavity; "I seldom use a libretto."—Argonaut.

Kidney Diseases Are Too Dangerous for La Grande People to Neglect.

The great danger of kidney troubles is that they get firm hold before the sufferer recognizes them. Health is gradually undermined. Help the kidneys with the reliable and safe remedy, Doan's Kidney Pills, which has cured people right here in this locality.

J. D. Morrow, 517 Marie St., Pendleton, Oregon, says: "For about three months I had backache and if I did any work that required stooping sharp twinges darted through my loins and over my right kidney. The secretions from my kidneys were unnatural and irregular in passage and pained me intensely when being voided. On a friend's advice, I used Doan's Kidney Pills and they corrected my trouble. I gladly give this preparation my endorsement."

S.S.S. DRIVES OUT RHEUMATISM

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually considered of no importance. Nothing applied externally can ever reach the seat of this trouble; the most such treatment can do is soothe the pains temporarily; while potash and other mineral medicines really add to the acidity of the blood, and this fluid therefore continually grows more acid and vitiated. Then instead of nourishing the different muscles and joints, keeping them in a normally supple and elastic condition, it gradually hardens and stiffens them by drying up the natural oils and fluids. Rheumatism can never be cured until the blood is purified. S. S. S. thoroughly cleanses and renovates the circulation by neutralizing the acids and driving the cause from the system. It strengthens and invigorates the blood so that instead of a sour, weak stream, depositing acid and painful corrosive matter in the muscles, joints and bones, it nourishes the entire body with pure, rich blood and permanently cures Rheumatism. S. S. S. contains no potash, alkali or other harmful mineral, but is made entirely of roots, herbs and barks of great purifying and tonic properties. Book on Rheumatism and any medical advice free to all who write.
