

# FRANK COUNSELL PASSES AWAY

CRITICAL ILLNESS OF RANCHER  
ENDS FATALLY.

Funeral of Well-to-Do Rancher Held  
This Afternoon.

Death ended a brief illness in the Frank Counsell home at the mouth of Ladd Canyon yesterday morning at 2 o'clock. Mr. Counsell was just in the prime of life, but has been ailing with consumption for some time, his condition the past few days has been very serious. He was a pioneer and well-to-do rancher having a comfortable home in the fertile Ladd Canyon section.

The funeral services were held this afternoon from the home at 1:30 o'clock with interment this afternoon in the Odd Fellows' cemetery, in this city. Rev. J. D. Gillilan, D. D., officiating.

The Cleveland Naps have four of the first six men in the honor list of American league batters, and still the Naps are not able to get among the contenders.

### NO REASON FOR IT.

You Are Shown the Way Out

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. The following is convincing proof:

Mrs. William McGregor, 711 Lillith

St., Pendleton, Ore., says: "Doan's Kidney Pills are by far the best kidney medicine I ever used. I was troubled from childhood by kidney complaint. My hands and feet swelled, in fact, my whole body bloated and I had a great deal of trouble from the kidney secretions. There was a dull pain in my back and sides and often after stooping I found it difficult to straighten. Dizzy spells and headaches were frequent and my nerves were all unstrung. I rested poorly and on arising in the morning was tired and devoid of ambition. As time passed, my condition became worse and it would be hard to fully describe the misery I endured. I spent many dollars for doctors' treatment and I also tried remedies of every kind but to no avail until I procured Doan's Kidney Pills. This preparation restored me to good health, after visits to hot springs and treatment of every other kind had failed. I do not hesitate to tell of my experience and I trust that my statement will be the means of helping other kidney sufferers."

# IMPROVEMENTS

Improvements add so greatly to the value of a community that their influence can hardly be over-estimated. The character of the street and other municipal improvements denotes the character of the people in the community itself. It makes either a favorable or unfavorable impression on the outsider, depending on the class of work that has been done. La Grande is fortunate in having had the benefit of a far-sighted and liberal city government, and the support of generous and progressive property owners.

Connordale Addition has had a liberal share in the improvement appropriations made by the city in the past year. Last fall it was laid out with concrete sidewalks and curbs, this spring the city water was piped in, this summer Washington avenue is being paved with asphalt right to the head of the property and the owners are about to grade and open this fine street all the way to the county road, and this fall the parking spaces are to be set to grass clover shrubs and shade trees. The sewers and street lights will come in due order.

There will not be a single raw spot to mar the beauty and symmetry of this beautiful tract. Wide streets, uniform building restrictions and a complete scheme of landscape gardening insure a rapid building up of this property as a home section and its consequent increase in value.
