

SERIES BREAKS EVEN

(Continued from Page Two.)
by Kelly 1. Umpire Gove. Time of game 2 hours 2 minutes. Scorer, Keeney.

Notes of the Game.

Manager Barry's hitting yesterday was phenomenal. Four well-placed clouts out of five journeys to the plate, at a time when hits meant runs, stands for something and our friend, "Hap" Smith got three out of four times up. Hitting like that wins games.

Colbert, outfielder-catcher, worked behind the bat yesterday for the first time. When the game became pinching in importance, King replaced Colbert and what should King do but celebrate his return to the game with a hit just when a hit meant a run.

Rochon, the saucy little talking machine got a bad rap on the hand late in the game and Brown had to take his place. Brown, by the way, was beefing most of the day, being chased from the coaching lines. He politely told his ump he wouldn't move, but he did when the watch was pulled on him.

Forbes made a running catch at a critical moment and the sandy-haired outfielder recorded two wonderfully clean two-baggers as well.

McIvor, aside from pitching a good game, hit well.

Mensor registered two back hand stops just when stops were needed and got the glad hand for it, too. He hit like a Wagner.

Here's luck to Barry and his cohorts in Boise this week. May they win all of them.

C. Harmon's batting average was reduced but he just couldn't resist the temptation of lacing out a triple, his only hit for the day.

Martini made a wonderful catch Saturday going beyond the foul line to get a long fly.

Etchandy and Foster have been released.

Saturday's game was much a frost, similar in many respects to the Friday game. The score for the performance follows:

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthy manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free.
