KEEP THE KIDNEYS WELL.

Health Is Worth Saving, and Some La Grande People Know How to Save It.

Many La Grande people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Mrs. Celia Badger, Union, Ore., says: "For four years I was afflicted with dropsy. My hands and feet swelled greatly and I had puffy spots beneath my eyes. My back ached intensely and there were acute pains directly over my kidneys and in my left shoulder. The kidney secretions were unnatural and this plainly convinced me that I had kidney complaint. Reading of similar cases where Doan's Kidney Pills had been taken with benefit, I was led to try them and they gave me relief. I have since kept this remedy in the house and its use has always proven beneficial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

It is said that the ballots to be voted in some of the Texas counties at the primary this month will be nearly ten feet in length.

The foolish way and the wise way of saving money

There are two ways of saving your money—the foolish way and the wise way. The foolish way is to put it where fire, theft or other calamity can take it from you in a second. The wise way is to put it in a bank of good standing like ours, where it is taken care of in fire and burglar proof vaults. Follow the example of the best business men and farmers in this district—start an account here at once—it is also the straightest road to success and wealth.
