CHERRIES AT COVE.

Cove will have her Cherry fair next Friday.

It is in the main a cherry exhibit, but there will also be fruit of all kinds on display, plenty of high class amusements, a good program and a general good time.

Cove people know how to entertain. They lay aside all the frills and furbelows, and get right down to good old fashioned friendship—the kind that rings true. They are not entertaining with any idea of getting anyone's money for everything is free. They want the good will of Eastern Oregon and they want to show people just what splendid fruit their district produces, which is right and proper, for Cove is one of the selected spots in this whole country that will raise excellent fruit and do it regularly.

At every national and international exposition where the Cove cherry has been exhibited first prizes have been awarded. Loving cups and badges of honor are very common among the Cove people. They know when they put up an exhibit that the other fellow must produce something extraordinary if the prize does not go to Cove.

It will do everyone good to go to Cove Friday. It will make you younger in spirits, feel better toward your neighbor and refresh your recollection of the days when celebrations were held just for the purpose of promoting good fellowship.

MACKAY AND LILLY

Relative to the action of the council in granting two more liquor li-

censes, the Evening Observer is pleased to state that records of the meeting at which the licenses were granted shows that Councilman Lilly and Councilman Mackey voted against increasing the number of licenses from eight to ten.

This is decidedly to the credit and good judgment of these gentlemen and shows they were alert to the situation and not carried away by the addition of \$2,500 a year to the city's revenue.

One strange feature of Ordinance No. 608, Series 1912, which amended Ordinance No. 495, series 1910 and opened the way for two more licenses is that an emergency clause was affixed. Mackey and Lilly not only voted against the passage of the ordinance but they voted against the emergency clause also.

Just how the "peace, health and safety, etc." of the people of La Grande could be affected by not having ten liquor licenses instead of eight is more than can be well understood, but nevertheless the records show that an emergency clause was attached to the ordinance. Why the rush? Why the intense desire to do the business up in a hurry? On a question that is generally considered important to the community would it not have been well to take the usual routine of passing the ordinance so that some discussion could have been had and the people entered into the matter?

We wish to impress once more that Mr. Mackey and Mr. Lilly voted against the ordinance, and in so doing we believe they reflected the sentiment of a large majority of the voters of this city.

OVERTAXED.

Hundreds of La Grande Readers Know What It Means.

The kidneys are overtaxed; Have too much to do.

They tell about it in many aches and pains—

Backache, dizziness, headache. Early symptoms of kidney ills. Urinary troubles, dropsy, Bright's disease follow.

The statement below shows you a reliable remedy for kidney ills. C. S. Howard, 1614 W. Webb St., Pendleton, Oregon, says: "For five-

ble from a dull pain through the teen years I had a great deal of trouble small of my back and left side and during the past year there was numbness under my shoulders. I was unable to lie comfortably on my back and I was troubled a great deal by too

frequent passages of the kidney secretions. After several well known remedies had failed to help me, I took Doan's Kidney Pills and they relieved all my trouble. I am grateful to this remedy for its good work." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Busby's Minstrels Made a Great Hit.

Busby's minstrels certainly made a hit with the Klamath Falls people last night.

Every member of Busby's minstrels proved to be an artist. Their songs were the original old negro songs of the south as well as the very latest and bet on the vaudeville stage of today. Etta Moore's singing was typical of the old-time southern colored girl while the performance was the best minstrel work ever seen in this city. The cakewalking and dancing was excellent. In fact the entire show was not only good but was clean from start to finish, there not being anything that smacked of rowdyism or what would be called out of place by the most critical audience.—Klamath Falls Northwestern. At La Grande Wednesday, July 24.
