

NINE HUNDRED AND SIXTY Acres of Grazing Land.

Here is just what some valley farmer needs and such opportunities are rapidly slipping away. Five years ago there was an abundance of such land at \$2.50 per acre. That is a thing of the past. There are now few such tracts at \$5.00 and this is one of them.

This tract is well watered with springs and two living creeks. 480 acres of it fenced and a stock man will immediately understand why the balance is not. One half mile from forest reserve. Early spring pasture, the best of bunch grass, two cabins. A good road from La Grande, only seven miles. Call for particulars.
