 got his second hit and Forbes was on second through Augustus' boot — or shall we call it Forbes' hit? Either way would be "according to Hoyle." Luttrell got the winning or the losing of the game in his hand and it seemed to the already indignant spectators that he won, for Augustus' throw to Lodell certainly didn't beat her out but Knell said it did and there you are—and there Knell was: a half dozen, and their numbers rapidly growing, were looking for a soft spot to dump the arbiter on but an officer got his mumps out of the embroglio before any blows were struck. It was a farcical ending, a farcical decision and a game hard to lose—indeed it was. La Grande's defeat is contributed directly to Knell but the conditions that told the story were created because Melvor wasn't at his best and the team behind him, though playing good ball, slipped a cog or two just when it meant the most. However, the crowd may as well learn that it is best to sit down and say they like it for roasting leads from bad to worse—always did and always will. The score:

 Earned runs Pendleton 2, La Grande 1; two base hits, Reid Rader, Esola; three base hit, Melvor; first on balls; off Melvor 1, off Osborne 4; struck out by Osborne 6, by Melvor 1; double plays, Nadeau to Lodell, Osborne to Pembroke; passed ball, King; Umpire Knell, scorer Mrs. Van Buren. Time of game 2 hours, 25 minutes.

Notes of the Game.
 Little Esola, the rapidly-moving second baseman, collided with Barry and a base runner at first and got the wind knocked out of his sails but he recovered. His hitting was good and his fielding better. He looks like a good pickup for the infield.
 Luttrell made a daisy stop in the fourth—in fact he fielded exceptionally well throughout. In the fourth however, he knocked down a sward burner and his perfect peg got the runner.
 Six putouts in the outfield in a row occurred yesterday. Nadeau, Reid, and Harmon figuring in the plays. Nadeau's catches were beauties. The outfield is Nadeau's stamping grounds, anyway and Robinson plays second better than the Frenchman.
 Forbes, King and Esola were the feature Pippins in the batting way and Nadeau holds the chief glory for Pendleton.
 Esola tried to stretch a double to a triple and got caught, the first time up.
 Cannon, catcher and outfielder, has the appearance of being good enough.
Record Game at Boise.
 Boise, July 17.—Breaking all local records for endurance, Boise and Walla Walla went 15 innings before a decision was reached in yesterday's game. Fifteen innings—count 'em—and every inning had a feature. It was one of the most remarkable ex-

hibitions of the pastime ever seen here. After the Irrigators had had two chances to win the game and failed, Walla Walla finally put over the winning run and the final score was 4 to 3 in favor of the Bears.

S.S.S. PURIFIES BAD BLOOD
 Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the flesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S.S.S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S.S.S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and permanently cures Eczema, Acne, Tetter, Salt Rheum, Boils, and all other skin eruption or disease. Book on the blood and any medical advice free.
