

# 'SHINE', ESOLA

(Continued From Page Two.)

the field. It should be stopped and once. Naughton got to bunting yesterday and dumped as pretty a one as could be pitched. King and Luttrell did the same things. Pendleton papers are throwing fits over the assertions that Golden stole bases from La Grande last week. It makes so much difference always

from what angle a decision is seen and few can give unbiased judgment on a ukase from his umpire. Hence we will forgive and forget the indignant scribes this time.

Smith came back into the fold yesterday on permission from President Sweet that he be good. While Smith is no worse than others the president is right in punishing with fines players who make the game obnoxious with unnecessary wrangling. That is not what they are paid for or what the fans pay to see. Sweet overstepped his better judgment in the Smith incident, however, suspending him in-

definitely without hearing both sides and allowing Stanfield to get out of the mixup without any chastisement. Jimmie Mensor, still weak but anxious to get in the game again, arrived this morning from Pendleton where he has been threatened with typhoid and was seriously ill for a few days. Cannon, the Corvallis school teacher who is a candidate on the republican ticket for county school superintendent, caught yesterday's game and rested King, though the latter had to get out in the field when Fox was hurt.

## COOK IN COMFORT

You'll envy the woman who  
Cooks With Electricity

She doesn't spend the best part of the day in the kitchen, over a hot stove. Her kitchen is the coolest room in the house. She can cook wherever there is a light socket.

She gets her meals in a jiffy. The electric cooking devices heat up, ready for use, in fifteen seconds. No waste; no fuel to carry; no smoke nor soot; no ashes.

We carry all kinds of electric cooking devices, from the handy little "Radiant Grill" to the most elaborate ranges. We sell them at manufacturers' prices and make a special rate for current for cooking. This special rate makes electric cookers as economical to use as wood or coal ranges.

See the electric cooking devices at our office. We are glad to demonstrate them for you at any time.
