SAVED FROM THE TITANIC.

Featuring Miss Dorothy Gibson at Sherry's Friday and Saturday.

Miss Dorothy Gibson, one of the survivors of the great disaster, has performed a unique piece of acting in this sensational film. It is the story of the wreck, founded upon her own experience. Miss Gibson had hardly recovered from her terrible strain in the wreck until she was called upon to take part in this piece, which she constructed so well. It was a nerve racking task, but like actresses before the footlights, the beautiful young cinematic star valiantly conquered her own feelings and went through the work. An artistically perfect reel resulted. This with three other good pictures and song entitled "King Chanticleer," make a strong, pleasing and interesting program.

Don't forget the place. SHERRY'S where it is cool, ventilation the best and projection is perfection.
