KNELL OUSTED

(Continued from page 1)
San Francisco. "Too much of a dog's life for a white man," said Mr. Knell this morning in discussing his discharge. Mr. Knell will remain here for the day, anyway, and it would not be surprising to see him wearing a pitcher's glove in this league. Don Starkill, his successor, worked for the first time today in the city and he also is a pitcher. For a time negotiations were on between Barry and he for a pitching job here but Sweet had his irons in earlier. Starkill comes from Hoquiam but is known to all the California boys in La Grande. Both he and Knell are good pitchers.

Bert Fitchner Signed.

A new pitcher was added to the La Grande staff today in the person of Bert Fitchner of Portland who came to La Grande on Jess Garrett's transportation, having accepted terms from the Buckaroo manager. When he reached here he joined the Pippins. Remington is also to join the Pippin force, being wired for last night.

Darrow Trial Uninteresting Today

Los Angeles, July 18.—Still on the witness stand in the Darrow trial Fremont Older of San Francisco today reviewed the testimony given yesterday. He said nothing new to the records. Older was followed by John R. Harrington of Chicago who deposed on the witness stand he had told a reporter on a Los Angeles morning paper that Darrow was innocent of the crime charged against him.
