

WOLF CREEK IS PICNIC SCENE

SUNDAY SCHOOL REUNION HELD SUNDAY.

R. E. Close, Sunday School Organizer, Was Present.

Elgin, July 22.—(Special)—Last Sunday the Wolf creek union Sunday

school held a rally in a grove on Clear creek. There was a large attendance. The classes assembled and studied the lesson in the open air. The large Young People's class taught by Mrs. A. Bowman, was a most inspiring sight.

A delicious picnic dinner was served by the ladies.

The afternoon session was made most delightful with songs and recitations.

R. E. Close, the American Sunday school union organizer, was present and gave addresses in both the afternoon and evening, the later session being held at the school house.

YOUR FAMILY

"There is nothing too good for my family." You have often said it, and you will always believe it. And it is the truth. A man's own people are the salt of the earth. But do you make every effort that lies within your power to supply your family with the best?

Have you given much thought to the constant improvement in conditions of living that is going on about you from year to year? Have you ever stopped to think of the wonderful increase in the number of modern conveniences—the electric light, the telephone, asphalt and concrete paving—that have done so much to add to the comfort and ease of life within the past few years? Every day, in your work—no matter what your occupation may be—you make use of new and improved time and labor-saving devices. You keep abreast of the times in your work or your business. You have to or you wouldn't last very long. But what of your home and your home life? Are you as liberal in that as you are in other things? Does your family enjoy the same kind of conveniences in their home life that you do in your business life? Connordale is beautifully situated and fully improved. Building restrictions on each lot insure a uniform and artistic development of the whole tract. The people and the city government of La Grande have proven themselves to be "progressives" of the highest type—alive to the desirability of every modern city improvement—wide streets, parking spaces, the best of paving, and artistic, well-kept homes. Where do you stand? Do you have someone else's barn-yard under the back-windows of YOUR home? Do YOU prefer muddy streets and board walks to asphalt and concrete? Would YOU like to have a flimsy shack, occupied by undesirable neighbors, jammed up against YOUR home? Ask your wife. She is the one that stays at home and keeps the house. You may have to put up with these things where you live now — you won't if you buy a lot and own a home in Connordale. If you haven't seen Connordale yet let us show it to you. Our office is on the ground floor of the La Grande National Bank Building.

A Wonderful Tonic That Aids Digestion

Thousands are unable to digest certain kinds of food. In most cases it is not the fault of the food, nor the stomach. It is probable that the stomach has been abused. Many resort to pre-digested foods and various kinds of medicines to get relief from dyspepsia, indigestion and heartburn, but without permanent benefit.

If your stomach was in perfect condition, you would not need medicine to digest the foods you eat. Jayne's Tonic Vermifuge is a stomach regulator. It gets the stomach in such a condition that it will digest food without other assistance. It overcomes the acidity and stimulates the coating of the stomach and intestines so that they will properly absorb and assimilate the nutriment from the food eaten. Sufferers from dyspepsia and indigestion will find permanent relief in a short time after beginning the use of the tonic. For children, the addition of a little sugar will make it most palatable.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Millions have praised its nutriment from the food eaten. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
