Captain Frees sent Slate on the mound last night and that worthy put the rollers to the railroaders and wanted the huskies of Harriman affilions into the back ground while he and his colleagues from Palmer moved up a peg as the result a five to one victory in the Twilight

series last night. Slate's debut was marked by some sensational pitching, 10 men being mowed down in five innings. He had the edge on Beeman who heaved for the railroaders, although that does not belittle the work of Beeman for he went good. He had one bad canto, the fourth, and in that he lost all chances of winning for he was hit four times, one of them a three bagger, and the chapter was written and the game won and lost in that inning.

It looked like the railroaders were out to clean up when Ralston running for R. Pidcock got transportation and stole second, coming home when Beeman hit out one of the two longest drives of the day. Though Grey got on by being brisled, Stiles churned the ozone and went back to the bench, retiring the side. The Palmer Millers evened up by Bell. He was hit and finally reached third on a passed ball and came home on Rogers' sacrifice hit. Bell scored again following his own hit in the third and that of Johnson's. Slate started the fireworks in the fourth with a bingle,

purloining and scoring on Beveridge's drive. Then Claycombe, the home run manufacturer, produced the second three bagger of the game and he was soered when Frees' hit was not fielded properly.

I have taken this remedy several times since then and it has never failed to give me prompt relief. For seven years I was badly afflicted with kidney complaint and was unable to work. Two years of that time, I had to use crutches when getting about. My back ached most of the time and my kidneys were badly disordered. Doan's Kidney Pills benefited me in every way and since learning of their merits, I have told many other people about them."

She doesn't spend the best part of the day in the kitchen, over a hot stove. Her kitchen is the coolest room in the house. She can cook wherever there is a light socket.

She gets her meals in a jiffy. The electric cooking devices heat up, ready for use, in fifteen seconds. No waste; no fuel to carry; no smoke nor soot; no ashes.
