An error, a balk a two-bagger and a single broke up a tie yesterday in the last inning of the game between the Clerks and the Palmer Mill giving the game to the package tyers by a fou rto one score. The game was probably as classical as anything yet produced by the Twilight leaguers and the pitcher's battle was no small feature of the game. As to hits the hill-top engineers were of equal strength but Slate hit one, balked once, hence the odds are against him.

Three Bagger and No Score.

With one down in the second Slate bingled out a three bagger but he died on third, Bohnenkamp tightening up and butchering two more by his mystifying twisters. In the third, however, the Palmerites made up a one run lead of the first inning when Bohnenkamp gat hit on the "bean" and was scored by Scranton's sacrifices, by Frees' single purloin and Bohnenkamp's error of Bell's drive to centerfield.

Slate was the only batter that connected for more than one hit during the game, though Stout got a hit for an extra base for the clerks.

Peevish Children Suffer With Worms

Don't be angry with your child because he or she is continually irritable. In ninety-nine out of one hundred cases you will find that the trouble is worms.

Among the common symptoms of the presence of round worms are nervousness,—which often leads to epileptiform attacks;—dizziness, vertigo, capricious appetite, restless sleep, itching of the eyes and nose, nausea and often hysteria. Round worms are several inches in length and infest the stomach. Occasionally several hundred are found in a single person. Thread worms are smaller, often not longer than a quarter of an inch. The symptoms denoting their presence are about the same, but in this case the child has no appetite.

Jayne's Tonic Vermifuge is unsurpassed in removing worms. Not only will it destroy them, but its tonic effects will restore the stomach to healthy activity. As Jayne's Tonic Vermifuge seldom purges, the indications of its beneficial effects will be the improved condition of the person using it.

Millions of parents have praised this medicine for more than eighty years. Insist upon Jayne's Tonic Vermifuge, and accept no other. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

OUR HAT IS IN THE RING

and we are here to stay. We believe in La Grande and the future will show that our confidence has not been misplaced.

WE KNOW that city property in La Grande is the safest, soundest and best investment in the northwest today. We believe that any property in this city is a good buy at present prices, although some districts, being more favored by Nature and by Man, than others, will undoubtedly increase faster and more permanently in value. And that reminds us.

Have you ever observed the effect that their sourrundings have on the health, the spirits and the mental attitude of people — especially children? A child reared in the slums of a city, amid squalor, filth and poverty generally shows throughout his life the influence of his early surroundings. He unconsciously absorbs the atmosphere of the law, degrading conditions that he comes in contact with. It requires a strong personality and will power to overcome these early influences. A child raised under these conditions doesn't get a square deal. Nearly all the great and powerful "self-made" men were country boys. Their surroundings were the green hills, blue sky and fresh air of Nature. These influences areall for strength and cleanliness and stamp their mark uponthe child.

In Connordale iron-clad restrictions prohibit the building of any shacks, livery stables or manufacturing plants. No house can be built closer than 20 feet to the inside edge of the sidewalk. Every home must be of a substantial character, well built and modern. There is no smoke, dirt or grime and the air is fresh and clean. No dirty, foul-smelling shacks, barns or garbage piles will disfigure your surroundings. Green lawns, flower, gardens, wide streets, concrete sidewalksand shade trees will make them beautiful. In no other part of the City of La Grande are you protected as you are in Connordale. What sort of a deal are you going to give YOUR family? Let us take you down to Connordale and show you this beautiful residence addition.
