

GRAIN AND HAY PROSPECTS FINE

FIRST WINTER CROP IS NOW BEING CUT.

Exceptional Crop of Hay, but Considerable Damaged on Account of Rain.

In Union county the first crop of alfalfa hay is now practically all harvested. Alfalfa as well as wild hay has been uncommonly large this year, although some has been spotted by the rains, and a considerable amount slightly damaged due to the same cause. Timothy hay is also above the average yield, and was little affected by the showers, not being down when they occurred.

The grain forecasts for this year are very bright. Some of the winter wheat is now being cut, and it will not be long until the harvest will be on in full swing.

The market prices of live stock, butter and eggs are slightly increased in the local markets. The fresh hay being placed on the market has reduced it considerably.

S.S.S. HEALS SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.

Doan's Kidney Pills make lasting cures.

I. N. Peterman, Granite St., Sumpter, Oregon, says: "The public statement I gave in 1907 in praise of Doan's Kidney Pills was correct in every detail. I have taken this remedy several times since then and it has never failed to give me prompt relief. For seven years I was badly afflicted with kidney complaint and was unable to work. Two years of that time, I had to use crutches when getting about. My back ached most of the time and my kidneys were badly disordered. Doan's Kidney Pills benefited me in every way and since learning of their merits, I have told many other people about them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
