Malthoid Roofing

Wherever you see a roofing advertisement remember that its words of self-praise and description came from the original advertisements of the Malthoid Roofing makers.

Twenty-six years ago we said of our roofing all the nice things that are now said of every other roofing.

These "others" have stolen our words—imitated our methods—but they cannot duplicate the quality of Malthoid Roofing—it always was the best and always will be.

Whenever you see a roofing advertisement think of Malthoid the original.

La Grande is growing. These small tracts are increasing in value much faster than you possibly realize.</p>		<p>Stock Ranches With the cheap range rapidly becoming a thing of the past never will be see cheap cattle again in the United States. Our population is increasing much faster than beef can be grown. I have several opportunities that that just a few years hence will be looked upon as wonders. COOK IN COMFORT
You'll envy the woman who Cooks With Electricity
She doesn't spend the best part of the day in the kitchen, over a hot stove. Her kitchen is the coolest room in the house. She can cook wherever there is a light socket.
She gets her meals in a jiffy. The electric cooking devices heat up, ready for use, in fifteen seconds. No waste; no fuel to carry; no smoke nor soot; no ashes.
We carry all kinds of electric cooking devices, from the handy little "Radiant Grill" to the most elaborate ranges. We sell them at manufacturers' prices and make a special rate for current for cooking. This special rate makes electric cookers as economical to use as wood or coal ranges.
See the electric cooking devices at our office. We are glad to demonstrate them for you at any time.
