

# RAILROADERS QUIT CELLAR

### TAKE THREE TO ONE GAME LAST NIGHT.

New Twirler for Bankers Has Poor Support in the Pinches.

**STANDING OF THE CLUBS.**

	W.	L.	Pct.
Palmer Mill	3	2	.600
Clerks	3	2	.600
Bankers	2	3	.400
Railroaders	2	3	.400

Tying themselves on an equality with the Bankers who had them bested in the percentage column, the Railroaders last night took a somewhat loosely played game of three innings from the money lenders. The men who handle gold like some people do pickaxes started out with lusty strides pushing Squires over the racket pan in the first inning when he hit, was sacrificed and Ellsworth let two pitches go through him. That was all and from then on Stites had them at his mercy, the fielders helping him out in pinches only.

The car wackers put three over in the initial inning that was all they did. Oelslager, a new pitcher for the Bankers, hit Garity the first time up, and Ralston scored him after Stange let a poor peg from Wenzel go by him on an attempted steal. Ralston came home on Squires' boot and Irwin tied at the plate on a clean play from pitcher to catcher. But Pidcock came rambling home on a thievish method after he had been hit and when he took advantage of a kicked play, Oelslager showed considerable class as a twirler and has no doubt won a permanent home with the Bankers. He is a college twirler from the east and lacked support or would have won.

### MOOSE AND LEAGUE LEADERS TO GO IT.

Contest Should Prove Extremely Interesting to the Fans.

If it ever quits raining the Moose and Palmer Mill ball teams will mix at tomorrow afternoon commencing at 3:30 o'clock for what should be one of the banner home talent games of the season. Both have been going well of late and the Palmer Millers are leaders in the Twilight league so that their strength is well known and well established. The game will afford good opportunities for the home fans to see their favorites in action.

It will probably be McInnis against Stites on the pitching mound and the two should put up a stiff game throughout. The Moose have a stringing defeat to wipe out and are determined that it shall be so.

# PIPPINS LOSE 6 TO 3 GAME

### HARMON STARTS CONTEST AT BOISE.

Game Sees Pippins Doing Well but Unable to Land Game.

Boise, Aug. 3.—"Shine" Harmon couldn't hold the irrigators and the Pippins lost again yesterday. The score was six to three, but La Grande lacked only one in registering as many hits as the winners.

**R. H. E.**

Boise	6	11	3
La Grande	3	10	3

Batteries—Pope and Kelley; Harmon, Pugsley and McBride.

Boise and La Grande come to the Pippin homestead next week and the La Grande fans will get the first glimpse at the Boise team since it was here with the late Hugh Kellackey the second week of the series. But it is a different team entirely and Dad Gmulla, the veteran manager, is the only old timer in the bunch, outside of Mays.

# BASEBALL NOTES.

Catcher Red Kuhn, of the White Sox, is out of the game, nursing a broken hand caused by a foul tip.

The New England league is having a hot race this season with all of the first five teams in the hunt for the pennant.

Shortstop Al Bridwell will bolster up the infield of the Boston Braves. The Boston shortstops have lost a number of games this season.

"Humpty" Badel, the former Buffalo player, has succeeded Ted McGraw as manager of the Columbia team in the South Atlantic league.

The three youngsters, Foster, Morgan and Gandil, and the veteran Geo. McBride, form the greatest infield the Washington team has ever had.

Catcher Smith of the Minneapolis Central Kansas League team, has caught every game his team has taken part in this season, over 100 games in all.

Hal Chase hit for 100 against "Big Ed" Walsh in New York the other day. Batters are not able to put over this stunt on the "Big Reel" very often.

The Indianapolis club has spent over \$25,000 for players this season with poor results. The Indians are the cellar diggers of the American association.

Rumor has it that either Miller Huggins, of the Cardinals, or Bill Sweezy, of the Braves, will succeed Hank O'Day as manager of the Cincinnati Reds next season.

You'll envy the woman who Cooks With Electricity

She doesn't spend the best part of the day in the kitchen, over a hot stove. Her kitchen is the coolest room in the house. She can cook wherever there is a light socket.

She gets her meals in a jiffy. The electric cooking devices heat up, ready for use, in fifteen seconds. No waste; no fuel to carry; no smoke nor soot; no ashes.

We carry all kinds of electric cooking devices, from the handy little "Radiant Grill" to the most elaborate ranges. We sell them at manufacturers' prices and make a special rate for current for cooking. This special rate makes electric cookers as economical to use as wood or coal ranges.

See the electric cooking devices at our office. We are glad to demonstrate them for you at any time.
