

Convention of Jewelers.
 Kansas City, Mo., Aug. 5.—An immense fortune in diamonds, emeralds, and other precious stones was placed on exhibition here today as a feature in connection with the seventh annual convention of the American National Retail Jewelers' association. Representatives of the jewelry trade throughout the United States and

Canada are here to take part in the convention, which will begin its sessions at the Coates house tomorrow morning. Four days will be devoted to the discussion of legislation, fixed selling prices, expenses and profits and other subjects pertaining to the trade. Chicago and Washington are applicants for the next convention of the association.

Rip Van Winkle.
 A two reel feature film of more than ordinary interest, is Rip Van Winkle, shown at the Arcade tonight and Tuesday. This film needs no introduction as it is familiar to the young and old. Also Mr. Williams in new songs and a Gaumont weekly showing events that have happened the world over, and a good comedy closes the program.

GONG WARNS PASSENGERS
 VESTIBULES TO CLOSE BEFORE TRAIN STARTS.
 No More Dangerous Boarding of Trains Permitted Hereafter.

A new order has been promulgated on moving trains in this city. A few for the safety of passengers who climb aboard before the passengers train are due to pull out—on the conductor's "All aboard"—a huge gong will be rung from the dispatcher's office and others and those desiring to obtain passage on the leaving trains must get aboard. The doors will close immediately after the gong sounds and when the train is started there will be no getting on.

"We do this for the sake of the passengers," said Assistant Superintendent Corbett today, "and for no benefit of our own."

It is a fact that every train leaving the station finds some belated traveler aboard after the train is in motion, and frequenters of trains on train crews often help men and women aboard who otherwise would meet their death. The law is now promulgated and passengers should bear it in mind.

Knights of Pythias Meet.

Denver, Colo., Aug. 5.—Many prominent members of the Knights of Pythias, from every state of the union and nearly all of the Canadian provinces, are arriving in Denver for the meeting here this week of the 27th biennial session of the supreme lodge. Contrary to the custom in the past the encampment of the uniform rank is not to be held this year in conjunction with the supreme lodge convention. There will be a meeting, however, of the allied organization, the Pythian Sisters.

Choice Farms And Ranches

SMALL FARMS.
 Several small farms, 80 acres, 50 acres, 40 acres, near La Grande, well improved. Priced right and on most of them liberal terms can be obtained.

FRUIT FARMS.
 I have several choice ten acres or larger fruit farms in this vicinity. The trees are loaded with fruit. You can go out and count the boxes of commercial apples that each place will produce. In some instances this season's crop will pay for nearly one-half of the purchase price.

SUBURBAN HOMES.
 I have a number of pretty near-in homes that are priced right. In fact, are real investments. La Grande is growing. These small tracts are increasing in value much faster than you possibly realize.

Stock Ranches

With the cheap range rapidly becoming a thing of the past never will be see cheap cattle again in the United States. Our population is increasing much faster than beef can be grown. I have several opportunities that that just a few years hence will be looked upon as wonders. I have three of the best stock ranges in Union county. If you are a cattleman and live in the county you will know them well. Come and let me tell you where they are. Very little cash required, put the balance of your money in stock. The increase of a calf to a beef steer on such ranges as I offer you will make common legal interest look anything but tempting.

COOK IN COMFORT
 You'll envy the woman who Cooks With Electricity

She doesn't spend the best part of the day in the kitchen, over a hot stove. Her kitchen is the coolest room in the house. She can cook wherever there is a light socket.

She gets her meals in a jiffy. The electric cooking devices heat up, ready for use, in fifteen seconds. No waste; no fuel to carry; no smoke nor soot; no ashes.

We carry all kinds of electric cooking devices, from the handy little "Radiant Grill" to the most elaborate ranges. We sell them at manufacturers' prices and make a special rate for current for cooking. This special rate makes electric cookers as economical to use as wood or coal ranges.

See the electric cooking devices at our office. We are glad to demonstrate them for you at any time.
