

# GRAIN HARVEST IN FULL SWING

### LAST WEEK'S FEED AND HAY PRICES STILL HOLD.

#### Second Alfalfa Crop Ready for Mower, and Grain Fields Await the Header

Feed and grain in the markets have changed but little from last week's prices.

This week will be marked by great activity in the fields. The first crop of alfalfa has been taken care of, and although considerable was damaged by the rains this valley escaped with less per cent. of damage than other localities in the northwest. The second crop is now nearly ready to begin cutting and other varieties of hay are nearly all out.

Some wheat has already been headed, but this week will mark the real beginning of the grain harvest. The farmers have been making preparations for several days and much of the yellow fields will be cut away this week.

Below follow the daily market reports for La Grande. The prices give on live stock is the local buying price, while the other prices are the retail selling price.

#### Rabbits Destroying Crops.

(From Baker Herald.)

The rabbits and squirrels are playing havoc with some of the grain crops in the valley, simply mowing the grain to the ground.

A rabbit drive is talked of every year, but when the time comes (in the winter) all seem to back out. One winter here several came out from town and joined with the farmers for a "drive" and the consequence was that several hundred rabbits were killed. These were hunted to Baker in a wagon, and a sign "Free, Help Yourself" hung on the wagon. After a circle of the town the wagon was empty and made many a good meal for lovers of rabbit meat.

If Senator X, Y or Z would introduce a bill to put a bounty on rabbits and provide to stock feed the same, they would do a favor to many who raise our food in the forest line.

### Greatest Horse Race Picture Ever Produced at Sherry's Wednesday and Thursday.

This is one of those famous "King Baggot Imps," and he is supported by the strongest company he has ever had, 2,000 feet of film and every foot a winner. Love and hate, plot and counter plot, scheming and counter scheming, all lead up to the grand climax, which shows the actual winning of the Latonia derby, in the presence of 30,000 people. The play was staged on the largest and finest stock farm in America, located in the heart of the Blue Grass region, and owned by J. E. Madden. The race itself was taken at the famous Latonia track. It is a picture that will please and delight all who love a horse.

It took Ray Collins a couple of mo's to get into condition, but since hitting his stride he has done wonderful work for the Boston Red Sox.

### A Wonderful Tonic That Aids Digestion

Thousands are unable to digest certain kinds of food. In most cases it is not the fault of the food, nor the stomach. It is probable that the stomach has been abused. Many resort to pre-digested foods and various kinds of medicines to get relief from dyspepsia, indigestion and heartburn, but without permanent benefit.

If your stomach was in perfect condition, you would not need medicine to digest the foods you eat. Jayne's Tonic Vermifuge is a stomach regulator. It gets the stomach in such a condition that it will digest food without other assistance. It overcomes the acidity and stimulates the coating of the stomach and intestines so that they will properly absorb and assimilate the nutriment from the food eaten. Sufferers from dyspepsia and indigestion will find permanent relief in a short time after beginning the use of the tonic. For children, the addition of a little sugar will make it most palatable.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist upon Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.
