For eight years, as District Superintendent, and as pastor at La Grande Dr. Gillilan has fathered the work at Island City. In less than three weeks the Annual Conference of the Methodist church will be in session. Who knows but that our beloved pastor may receive a well earned boost to a greater field which will take

him from us. It is always a treat to hear him and should be especially so under the circumstances. His subject is "Seven Modern Wonders of the World." You are cordially invited to be present.

EVERYBODY'S DOING IT.

"Doing What?" Why, thinking and talking about Connordale, of course. Pretty soon the 56 lots that still remain unsold will be gone and more than 200 people will be getting ready to take advantage of our building offer. And those who have delayed taking action will be disappointed. That is the experience of all who fail to take advantage of a good opportunity when it is presented to them.

You may say, "Why, I knew that piece of property when it was a vacant field, and I could have bought it for a song." If that is true you also can probably look back upon the time—nto so very long ago—when La Grande was a village. But La Grande is now a full-fledged young city with the second greatest pay-roll in the state, and with miles of paved streets and other city improvements. And Connordale is the best located and choicest bit of fully-improved and restricted residence property on the market. And La Grande is going to keep on growing and improving, while those who stand idly by and criticize the price of property and belittle the necessity for improvements and lead the calamity chorus will be left at the post as usual.

These are **FACTS**—straight from the shoulder—and every fair-minded progressive resident of La Grande knows that they are true. If you haven't seen Connordale yet, let us take you down in an automobile and show it to you.

If you drink because of a craving for stimulants—if you've reached the stage where nothing will satisfy excepting rough, high-proof, strong whiskey—our story is not for you.

But if it's mellowness, age and flavor you're looking for—you'll like Cyrus Noble.

Because it's pure—because it's palatable—because you don't have to dilute it with water to be able to swallow it. It costs no more than any other good whiskey.
