

JOSEPH COUNCIL ACTS PROMPTLY

WARRANT PAID WHEN INJUNCTION ENDS.

No Time Lost in Paying City Water Works Warrant.

Joseph, Ore., Aug. 12.—(Special)—The suit of F. D. McCully, owner of the old water works system, against the city of Joseph, to restrain the payment of a warrant issued to J. M. Mitchell, the contractor of the new water works system, for extras under his contract, has been dismissed by Judge Knowles. The contract called for extra work, and the charter contained a provision against any expenditure over \$1,000.00, except on a vote of the taxpayers. Claiming that this provision and another against the issuance of bonds in excess of \$20,000, and warrants of \$5,000.00 at the same time, had been violated, McCully brought his suit. The litigation has been pending for a great length of time but immediately upon the filing of the decree and the setting aside of the injunction, the Joseph council, at the request of the holder of the warrant, made necessary transfers of the funds of the city and being on hands sufficient funds, the warrant was promptly paid, there

tion and sworn statement on the 18th day of October, 1912, before the registrar and receiver, at the United States land office, at La Grande, Oregon.

Any person is at liberty to protest this purchase before entry, or initiate a contest at any time before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry.

Indian Killed on Track.

Near Rochelle, Ill., an Indian went to sleep on a railroad track and was killed by the fast express. He paid for his carelessness with his life. Often it's that way when people neglect coughs and colds. Don't risk your life when prompt use of Dr. King's New Discovery will cure them and so prevent a dangerous throat or lung trouble. "It completely cured me, in a short time, of a terrible cough that followed a severe attack of grip," writes J. R. Watts, Floydada, Tex., "and I regained 15 lbs. in weight that I had lost." Quick, safe, reliable and guaranteed. 50c and \$1.00. Trial bottle free at all druggists.

I will be in La Grande until the first week in September. Come early. Do not delay having your work done until the last week.

NOTICE FOR PUBLICATION.

Department of the Interior, U. S. Land Office at La Grande, Oregon, August 9th, 1912.

NOTICE is hereby given that George L. Bates, whose postoffice address is La Grande, Oregon, (Box 422) did, on the 30th day of December, 1911, file in this office sworn statement and application, No. 010126, to purchase the SE 1/4 SE 1/4 Sec. 19, S 1/2 SW 1/4 Sec 20 and NE 1/4 NE 1/4 Section 30, township 4 South, range 36 East, Willamette Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisement, and that, pursuant to such application, the land and timber thereon have been appraised at \$540.00, the timber estimated at 630,000 board feet at 50c and 75c per M, and the land \$80.00; that said applicant will offer final proof in support of his applica-

EVERYBODY'S DOING IT.

"Doing What?" Why, thinking and talking about Connordale, of course. Pretty soon the 56 lots that still remain unsold will be gone and more than 200 people will be getting ready to take advantage of our building offer. And those who have delayed taking action will be disappointed. That is the experience of all who fail to take advantage of a good opportunity when it is presented to them.

You may say, "Why, I knew that piece of property when it was a vacant field, and I could have bought it for a song." If that is true you also can probably look back upon the time—nto so very long ago—when La Grande was a village. But La Grande is now a full-fledged young city with the second greatest pay-roll in the state, and with miles of paved streets and other city improvements. And Connordale is the best located and choicest bit of fully-improved and restricted residence property on the market. And La Grande is going to keep on growing and improving, while those who stand idly by and criticize the price of property and belittle the necessity for improvements and lead the calamity chorus will be left at the post as usual.

These are **FACTS**—straight from the shoulder—and every fair-minded progressive resident of La Grande knows that they are true. If you haven't seen Connordale yet, let us take you down in an automobile and show it to you.
