Frontier Celebration Begins.

Cheyenne, Wyo., Aug. 14:—Thousands of visitors from Denver and the East arrived in Cheyenne today for the opening of the sixteenth annual Frontier celebration. Fully 5000 people are guests of the city already and every train is crowded to its utmost capacity. Many cowboys are in the city from all parts of Wyoming, and they, with the Indians in their red and yellow blankets, are attracting much attention from the visitors. The festivities will continue until the end of the week. Among the events on the programme are roping and bucking contests for the world's championship, shooting competitions, cowboy races, exhibitions of fancy riding, Indian races, branding contests and military maneuvers by a detail of United States troops from Fort D. A. Russell.

Practically all of the work on New York's new 750 foot skyscraper is bedone by electric motors of one kind or another.

The Trials of a Traveler.

"I am a traveling salesman," writes E. E. Youngs, E. Berkshire, Vt., "and was often troubled with constipation and indigestion till I began to use Dr. King's New Life Pills, which I have found an excellent remedy." For all stomach, liver or kidney troubles there is nothing better. Only 25 cents at all druggists.

Hay fever and asthma make August a month of intense suffering to many people. Foley's Honey and Tar Compound gives prompt ease and relief, and is soothing and healing to the inflamed membranes. Wm. M. Meredith, N. Searsport, Me., says: "A few doses of Foley's Honey and Tar Compound relieved me of a severe attack of asthma and less than a bottle caused a complete cure." Refuse substitutes. A. T. Hill.

"Were all medicines as meritorious as Chamberlain's Colic, Cholera and Diarrhoea Remedy the world would be much better off and the percentage of suffering greatly decreased," writes Lindsay Scott, of Temple, Indiana. For sale by all dealers.

S.S.S. CURES SKIN DISEASES

The cause of all skin diseases can be traced to some humor or acid in the blood; the cuticle is always healthy where the circulation is free from impurities. When the blood is infected with acid or unhealthy matter it cannot perform its natural work of nourishing the skin, regulating its temperature and preserving its normal softness, pliability and healthfulness. Instead it irritates and inflames the delicate fibres and tissues around the pores and glands, and produces some of the many forms of skin disease. The itching and stinging so often accompanying skin affections are produced by the deposit from the blood of the acid humors with which it is filled, into the sensitive membranous flesh lying just beneath the outer covering, and surrounding the countless nerves, pores and glands. This explains why scratching the outer skin affords no relief from the itching and burning. S. S. S. cures Skin Diseases of every character by purifying the blood. It goes down into the circulation and removes the humors or acids which are causing the trouble, builds up the weak, acid blood, and permanently cures every variety of skin affection. Local applications can only soothe; they never cure because they do not reach the blood. S. S. S. goes right into the circulation, reaches the trouble and cures it by removing the cause. Book on Skin Diseases and any medical advice free to all who write.

PROGRESSIVES ATTENTION!

We do not care whether you are a progressive or a stand-patter politically, if you intend to be a progressive financially, you must be very careful in your land dealings. Nine-tenths of the land titles in Union county are defective in some way. Buying a bad title means lawsuits and unnecessary expense. Demand an abstract to the property you are going to purchase. This will show up all defects and irregularities, then let the other fellow stand the expense of correcting the title.
