Next week a meeting will be held and final arrangements made for the tennis tourney. The probable date will be the last week of this month. A minimum fee will be charged all entries, and desirable prizes will be awarded the winners in each division. All players of the game are requested to enter this tournament. Several good matches are already certain and the more entries the more interest will be taken in the event. Practice is at present being stimulated and everything points to a good time for the "racket twisters" during the last week of August.

YOUR FAMILY

"There is nothing too good for my family." You have often said it, and you will always believe it. And it is for the truth. A man's own people are the salt of the earth. But do you make every effort that lies within your power to supply your family with the best?

Have you given much thought to the constant improvement in conditions of living that is going on about you from year to year? Have you ever stopped to think of the wonderful increase in the number of modern conveniences—the electric light, the telephone, asphalt and concrete paving—that have done so much to add to the comfort and ease of life within the past few years? Every day, in your work—no matter what your occupation may be—you make use of new and improved time and labor-saving devices. You keep abreast of the times in your work or your business. You have to or you wouldn't last very long. But what of your home and your home life? Are you as liberal in that as you are in other things? Does your family enjoy the same kind of conveniences in their home life that you do in your business life? Connordale is beautifully situated and fully improved. Building restrictions on each lot insure a uniform and artistic development of the whole tract. The people and the city government of La Grande have proven themselves to be "progressives" of the highest type—alive to the desirability of every modern city improvement—wide streets, parking spaces, the best of paving, and artistic, well-kept homes. Where do you stand? Do you have someone else's barn-yard under the back-windows of YOUR home? Do YOU prefer muddy streets and board walks to asphalt and concrete? Would YOU like to have a flimsy shack, occupied by undesirable neighbors, jammed up against YOUR home? Ask your wife. She is the one that stays at home and keeps the house. You may have to put up with these things where you live now — you won't if you buy a lot and own a home in Connordale. If you haven't seen Connordale yet let us show it to you. Our office is on the ground floor of the La Grande National Bank Building.
