### GOLDEN RULE ROBBED.

#### Second Robbery in Business District This Week.

Last night an unknown robber or robbers entered the Golden Rule store through the rear entrance and apparently helped themselves to what they wanted. It is not known how much was taken, but a suit case and several other articles have been missed. This is the second robbery this week, the first one occurring at Selder's confectionery store. It seems that a set of thieves are in the city and it might pay for everyone to be a little watchful for the next few days.
