Y. M. C. A. NEWS.

Edited by J. H. Rudd.

Tuesday morning a party of eighteen boys left with Mr. E. P. Borden, Scout Master and Mr. Rudd, Secretary of the Y. M. C. A., for a week of camp life up Catherine creek.
The shute for the swimming hole is finished and will be set up as soon as the boys return from camp.
A boy's reading has much to do with the formation of his life character. Cheap, trashy reading does not elevate any boy's thoughts. Our public library has some splendid reading for the boys. Here is a list of the books which you may read any time by going to the library.

LOVELY HAIR.
Parisian Sage Immediately Banishes Dandruff, Stops Scalp Itch and Makes the Hair Radiant and Charming.

Parisian Sage is not a dye—it does not contain poisonous sugar of lead or any other dangerous ingredient. It is a high grade scientific combination that will put life, lustre and beauty into any hair the minute it is applied.

Scalp itch goes over night; dandruff disappears; hair stops falling and the scalp becomes immaculately clean and free from germs.
There's a delight treat coming to your scalp if you haven't tried Parisian Sage. Girl with Auburn hair on every carton and bottle. 50 cents at the Newlin Drug company and dealers everywhere.

Mme. Nazimova will follow Mr. Drew at the Empire, appearing in "Bella Donna."

Maud Adams will tour the country in "Peter Pan" and later in the season will be seen in a new Barrie comedy called "The Legion of Leonora."

REMINGTON-UMC NITRO CLUB

ARROW and Steel Lined SHOT SHELLS

The Remington Club cut into a good one.

Each and Every One a Speed Shell

The speed that breaks your targets nearer the trap. That's why Remington-UMC Steel Lined Shells have won 13 out of the 15 Handicaps held in the last three years.

The speed that gets that mile-a-minute "duck" with a shorter lead—that's why it takes over 50,000 dealers to handle the demand for Remington-UMC Steel Lined Shells.

The Shooting fraternity are speed wise. They know loose smokeless powder won't drive shot. They know that the drive depends on the compression.

The powder charge in Remington-UMC shells is gripped in steel. This lining is designed to give the exact compression necessary to send the load to the mark quickest. It insures speed—the same speed in every shell.

The steel lining is moisture proof—no dampness can get through. Jar proof—no powder can get out. Waste proof—no energy is lost.

Shoot Remington-UMC Arrow and Nitro Club Steel Lined Eastern factory loaded shells for Speed plus Pattern in any make of shotgun.
