S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws off. S.S.S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S.S.S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S.S.S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.

PROGRESSIVES ATTENTION!

We do not care whether you are a progressive or a stand-patter politically, if you intend to be a progressive financially, you must be very careful in your land dealings. Nine-tenths of the land titles in Union county are defective in some way. Buying a bad title means lawsuits and unnecessary expense. Demand an abstract to the property you are going to purchase. This will show up all defects and irregularities, then let the other fellow stand the expense of correcting the title.

Fellow business men

An account

in a good bank means more than merestoring of money

When you have shown your banker that you can handle your business and yourself satisfactorily it also means that your credit is good for financial aid in your enterprise. It means too, that with your credit good at your bank, the consequent reputation brings you in more trade, better business bargains and increased social and political prestige.

Always stand well at your bank keep your engagements and show your desire to be considered a man who can be trusted. We are all pulling together for the common good, and you may rest assured that we will help you, through thick and thin, if you show you are on the square.

Accounts of companies and individuals solicited. Every facility given—consistent with conservative banking.
