LOCAL PEARS ENTER MARKET

CONDITIONS ARE BUT SLIGHTLY CHANGED FROM SATURDAY

Peach Plums Fall to Two Cents Due to Flooding of Market.

Home grown pears are now selling in the local markets. The quality is not so excellent as a little later in the season and the present price is two and a half cents per pound. Peach plums have dropped to two cents a pound. The supply is so plentiful that this fruit is sold practically for the cost of marketing. In some countries the many great plum and prune orchards bring thousands of dollars to the growers but that is where there are driers and canneries. In a fruit country like the Grande Ronde it would surely pay someone to introduce these industries.

PROGRESSIVES ATTENTION!
We do not care whether you are a progressive or a stand-patter politically, if you intend to be a progressive financially, you must be very careful in your land dealings. Nine-tenths of the land titles in Union county are defective in some way. Buying a bad title means lawsuits and unnecessary expense. Demand an abstract to the property you are going to purchase. This will show up all defects and irregularities, then let the other fellow stand the expense of correcting the title.

When you have shown your banker that you can handle your business and yourself satisfactorily it also means that your credit is good for financial aid in your enterprise. Always stand well at your bank keep your engagements and show your desire to be considered a man who can be trusted. We are all pulling together for the common good, and you may rest assured that we will help you, through thick and thin, if you show you are on the square.
