

The Gossard Corsets They Lace in Front

The first and last thought in front lace corseting have been applied to the "Gossard," which is positively the ORIGINAL FRONT-LACE CORSET the first in the minds of fashionable women because they meet the requirement for comfort, convenience in adjusting and giving proper poise to the body. They are truly healthful. No undue pressure is caused in controlling the superfluous flesh — they are modeled on graceful lines to fit

women of all sizes. The slender, the medium, the stout all enjoy them alike. MANY HAVE IMITATED THE GOSSARD CORSET WITHOUT EFFECT. It was once the only front lace corset; it is now the peer of all front lace corsets. The best talent known has been constantly employed to maintain the original standard of quality, comfort and style. Always up to the requirements of the ever-changing trend of fashion.

A complete line of all sizes and styles on hand.
