

The Gossard Corsets They Lace in Front

The first and last thought in front lace corseting have been applied to the "Gossard," which is positively the ORIGINAL FRONT-LACE CORSET the first in the minds of fashionable women because they meet the requirement for comfort, convenience in adjusting and giving proper poise to the body. They are truly healthful. No undue pressure is caused in controlling the superfluous flesh — they are modeled on graceful lines to fit

women of all sizes. The slender, the medium, the stout all enjoy them alike. MANY HAVE IMITATED THE GOSSARD CORSET WITHOUT EFFECT. It was once the only front lace corset; it is now the peer of all front lace corsets. The best talent known has been constantly employed to maintain the original standard of quality, comfort and style. Always up to the requirements of the ever-changing trend of fashion.

A complete line of all sizes and styles on hand.

Price \$3.50 to \$5.50.

PENDLETON, BOISE COMBAT

FINAL GAME UNDER WAY THIS WEEK.

Pendleton Conceded to Have Made The Best Showing of All Teams.

Six days more and the Western Tri-State League will be history. On the whole it has been satisfactory history for everyone except La Grande and the reasons why La Grande's portion has been otherwise have already been elaborated upon. La Grande and the tail-enders finish it out at Walla Walla and Pendleton goes to Boise to clean up the last series. At Boise is where the real interest will center for the first and last clubs have long since been determined, and this will tell the story for second and third.

Pendleton Second Best Team

Pendleton should win it if a showing for the year was considered. Boise however has taken a spurt and may get away with second place honors. If she does it will be because she has earned it as the issue is distinctly up to Boise and Pendleton. But Pendleton has made the best showing throughout the year. She has had the most evenly balanced team and has gone about as she looked from the start. She has, indeed earned the pennant for she has a better infield, as good an outfield, the best catcher, many agree, of any team in the league and has had them all the time. But where she fell down was the lack of four winning pitchers. Walla Walla's pitching staff alone won her the pennant—it wasn't her fielders or anything of that sort, nor even her management. She had the pitchers and enough of them and that was all there was to it. Boise has been spasmodic, good at times and then slumping partly because she changed players considerably and lacked pitchers like Pendleton, only more so. What the week will produce between Pendleton and Boise is a problem. Both teams are going good but it is Boise that has the toe hold and Pendleton is fighting for a hammerlock. The series should be a daisy. What happens at Walla Walla is neither here nor there. However an unbiased critic, having no spleen in heart at either Pendleton or Boise, cannot help but wish that the Bucks get away with the second place. Their showing for the season entitles them to it.

Mr. W. S. Gunsalus, a farmer living near Fleming, Pa., says he has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for fourteen years, and that he has found it to be an excellent remedy, and takes pleasure in recommending it for sale by all dealers.
