

TEN CANTOES OPEN SERIES

BEARS WIN BUT IT TAKES EXTRA INNING

First Game of Last Series at Walla Walla Interesting and Fast.

Walla Walla, Aug. 28.—The league leading Bears started the last series of the Western Tri-State baseball league games Tuesday by defeating La Grande 3 to 2, but it took ten innings to do it.

La Grande made her two in the first inning and there was no scoring until the ninth when the Bears tied the score. The winning run came over in the extra inning.

Gunner Mauser, on the mound for Walla Walla, started off by being wild walking Ford and allowing McBride a hit. A couple of hits let them in. Mauser tightened up then and pitched a fine game the rest of the time.

In the ninth Martini and Davis got on with two out and Mauser, with two strikes on him, straightened out one of Mountain's benders for two bags, scoring both. In the tenth Davis' two-bagger scored Thompson and the game was over.

The crowd at the game was small.

CIRCUS SHOWS AT 4 O'CLOCK

CROWDS WAIT ALL DAY TO SEE FEATURES.

Cleopatra is Gorgeous Production Proluding Main Event.

After waiting all day between 9,000 and 10,000 people witnessed the performance of Barnum & Bailey yesterday evening. It was nearly 2 o'clock before the paraphernalia reached the ground and the parade feature was dropped. The only performance of the day was commenced at 4 o'clock and lasted two hours. Many of those who came in early in the day were forced to return home but the excursion trains waited permitting outsiders to see the wonders of the circus after an all day wait. The presentation of Shakespeare's Cleopatra in pantomime and tableau was well worth the price of admission alone. The usual circus features were up to a high standard.

The Trials of a Traveler.
"I am a traveling salesman," writes E. E. Youngs, E. Berkshire, Vt., "and was often troubled with constipation and indigestion till I began to use Dr. King's New Life Pills, which I have found an excellent remedy." For all stomach, liver or kidney troubles there is nothing better. Only 25 cents at all druggists.

CIRCUS DAY ORDERLY.
But Two Arrests Made During Day, Holdup Last Night.
Yesterday was an exceptionally quiet day for circus day in and around the police station. One extra man was placed on the force to keep order but it was found necessary to arrest only two people during the day, both on the charge of drunkenness.

Last evening near the "Y", two Mexicans were held up and separated from considerable of their hard-earned coin. The police found several suspects but had to let them all go as there was no evidence whatsoever against them. They have a few clues and some private theories, however, that may lead to the apprehension of the robbers.

Power of Imagination.
As a man thinketh in his heart, so is he, and his imagination may picture himself a coward or a hero. The film, "Nerves and the Man," is a film condensation of "Day Break," by Jas. Oppenheim. It is a story with a moral, depicting the folly of needless worry over imaginary things. The leading roles are taken by Meriam Neabitt and Marc McDermott, who will be remembered for his clever work in "The Passer-By," shown recently at the Elite theatre. This film and four other pictures which include one in which John Bunny and Flora Finch figure, will be shown at the Elite tonight and Thursday.

FOLEY BUILDING NEARS END.

Roof Finished and Windows Being Placed Today.

La Grande's first skyscraper is rapidly nearing completion. The roof is now finished and the windows and sashes are being placed today. When this is completed the new five story building will be enclosed and it will take but a few weeks to finish the inside work. By the first of October the date set or possibly before, the structure will be ready to house the many professional and business men waiting to occupy their new offices.

This building will not attract the present citizens alone, which would amount to a mere change of office but many new people are already planning to come to La Grande and locate in the Foley structure, and there is no danger that other buildings will be left vacant as there has not been a vacant store room and hardly a vacant office room in La Grande for years.

Program at Arcade Tonight.

1. The Canyon Dwellers—Western drama.
 2. Big Sister—Fine Thanhouer.
 3. The Two Fathers—Drama.
 4. Daley & Sherbrook—Vaudeville.
 5. Race for Liberty—Comedy.
 6. Postman's Escape—Comedy.
- Admission 10 cents.

ELGIN BRIDGE NOT OUT.
Travel Not Hampered at Elgin Says Bridge Superintendent Campbell.

While the new bridge is being constructed at Elgin, traffic will not be hampered in any way, says Bridge Superintendent J. F. Campbell in setting at rest the rumor that traffic was clogged there. "We have built a temporary bridge below the new one, fences have been built and traffic can go on just the same as always, while the new bridge is being constructed," said Mr. Campbell today.

SCHOOLS OPEN SOON.
Teachers to Head La Grandeward During Next Few Days.
Preparatory to the opening of school September 9th, school teachers are returning from vacations and new faces that have been assigned places in the staff will also make their appearance here shortly to become permanently located for the year.

Union Couple Married.
Edna Yeager was married to William H. Gent, both of Union, in La Grande last Saturday in the office of Justice A. C. Williams.

Flying Men Fall
Victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headaches, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters," he writes, "did more to give me new strength and good appetite than all other stomach remedies I used," so they help everybody. It's folly to suffer when this great remedy will help you from the first dose. Try it. Only 50 cents at all druggists.

Hay fever and asthma make August a month of intense suffering for many people. Foley's Honey and Tar Compound gives prompt ease and relief, and is soothing and healing to the inflamed membranes. Wm. M. Meredith, N. Searport, Me., says: "A few doses of Foley's Honey and Tar Compound relieved me of a severe attack of asthma and less than a bottle caused a complete cure." Refuse substitutes. A. T. Hill.

ALLEY PAVING STARTED.
Busy Alley Torn up Preparatory to Bitulithic Paving This Summer.

The alley between Adams and Washington from Fourth to Depot street will be paved at once. Excavations were commenced this morning and the by-way will be paved as soon as possible. This is the first piece of alley way to be paved in the city but perhaps no other alley is used as much as this one. The two principal meat shops of the city, the creamery, postoffice and route teams, bakeries and various other businesses have great use for the pavement.

First Street Finished.
The Warren Construction company have finished paving First street and are nearly through with Main avenue. They will next pave the alley between Adams and Washington.

Indian Killed on Track.
Near Rochelle, ID., an Indian went to sleep on a railroad track and was killed by the fast express. He paid for his carelessness with his life. Often it's that way when people neglect coughs and colds. Don't risk your life when prompt use of Dr. King's New Discovery will cure them and so prevent a dangerous throat or lung trouble. "It completely cured me, in a short time, of a terrible cough that followed a severe attack of grip," writes J. R. Watts, Floydada, Tex., "and I regained 15 lbs. in weight that I had lost." Quick, safe, reliable and guaranteed. 50c and \$1.00. Trial bottle free at all druggists.

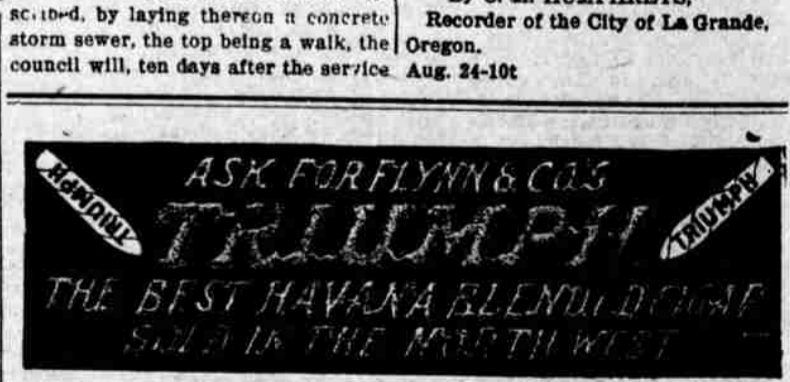

Notice to Contractors.
Notice is hereby given that sealed bids will be received by the council of the city of La Grande, Oregon, for the construction of gravel bitulithic pavement, together with excavation and drainage as follows:
On O avenue between the east line of Fourth street and the east line of Seventh street, amounting to 3,846 sq. yds. of paving. On Seventh street between the south line of Washington avenue and the north line of O avenue amounting to 2,944 sq. yds. of paving. Same to be constructed according to the plans, specifications and estimates on file in this office. All bids to be filed by 8 o'clock p. m. August 28th, 1912, and accompanied by a certified

check for 5 per cent of the amount bid. The council reserves the right to reject any and all bids.

Attention of all contractors is called to the agreement of Warren Brothers' company, filed with the city, in accordance with which agreement Warren Brothers company agrees to license all contractors desiring to bid for the work to lay the gravel bitulithic pavement in accordance with its patents and the terms of said agreement.
