

UNION COUNTY FAIR ASSOCIATION

Exhibits in all departments will be received for entry Monday, Sept. 9th. The State and County officials have made liberal appropriations of money to be paid only in premiums on exhibits and we want to see EVERY DOLLAR of it paid to the people of our county, so you, Mr. Producer, can share in this distribution of cash if you will.

The premiums offered this year are larger than ever before, and the judges in every department will be competent, fair and disinterested.

A large new exhibit hall has been built for agricultural, horticultural and floral exhibits and the accommodations for stock will be first class in every respect.

This fair is being conducted for the benefit of ALL the people of Union County, and you, in assisting as outlined above, will be promoting your own best interests.

We trust you will begin NOW to prepare exhibits in some of the departments, to help in making the UNION COUNTY FAIR "THE BIGGEST AND BEST FAIR IN EASTERN OREGON."

NOTICE OF STREET IMPROVEMENT

TO WHOM IT MAY CONCERN: Notice is hereby given that in pursuance of a resolution adopted by the common council of the city of La Grande, Oregon, on the 3rd day of April, 1912, creating improvement district No. 49, and designating First street as such district and in pursuance of a resolution adopted by said common council on the 31st day of July, 1912, whereby said council determined and declared its intention to improve that said portion of First street, in said improvement district as hereinafter described, by laying thereon a concrete storm sewer, the top being a walk, the council will, ten days after the service of this notice upon the owners of the property affected and benefited by such improvement, order that said above described improvement be made, that the boundaries of said district to be so improved are as follows:

All that portion of First street, from the south side of Adams avenue to the south side of Spring avenue.

(A) And the property affected or benefited by said improvement is as follows:

The east half of block 4, Grandy's second addition, and the east half of blocks 1 and 2, Romig's addition, all in the city of La Grande, Oregon.

Notice is hereby further given that the council will levy a special assessment on all the property affected and benefited by said improvement for the

SQUIRES AND RAMSEY WIN

BIENIE LOSES MATCH 6-4, 6-4 to DARK HORSE.

Ramsey Beats Curry Easily in Fast Match 6-3, 6-3, Yesterday.

Last evening Squires defeated Birnie in two closely contested sets of tennis. The game was played in a lobbing style and was point for point throughout. Birnie, the one-time champion of La Grande, has not been in the game for several years and consequently was far from his true playing form. Squires plays a sure game and with a little more speed would worry the winners of the tourney. Squires won 6-4, 6-4.

After the Squires-Birnie match Ramsey beat Curry 6-3, 6-3. Ramsey played a number 1 tennis and if he can keep to that gait, will certainly figure in the finals of the present tournament.

Three preliminaries are yet to be played, Wenzel vs. Kerr, Goodhue vs. Stange and Green vs. Good. These must be played at once so as to permit the next round to begin.

Allen, who has been playing good tennis all year, has retired from the game for the present season.

purpose of paying for such improvement. That the estimated cost of such improvement is the sum of \$758.97. That the council will, on the 4th day of September, 1912, meet at the council chamber at the hour of 2 o'clock, p. m., to consider said estimate, cost, and the levy of said assessment, when a hearing will be granted to any person feeling aggrieved by such assessment.

NITRO CLUB Steel Lined SHOT SHELLS

Cut down the lead—Cut down the guesswork

Shoot the speed shells and watch your field and trap average climb.

The steel lining gives the speed—grips the powder charge with just that compression needed to put all the drive of the explosion behind your load.

And with Eastern Factory Loading, you're sure of the same speed—a uniform speed of pattern in each and every shell. Shoot Arrow and Nitro Club steel lined Eastern Factory Loaded Shells for speed plus pattern in any make of shotgun.
